

100m water well drilling rig manufacturer

Who makes water well drilling rigs?

As a dedicated manufacturer of water well drilling rigs, we take immense pride in our crucial role within the Borehole Drilling Machine industry. Our mission is to provide reliable, efficient, and sustainable drilling solutions that bring life's essential element - water, closer to communities globally.

What is a water well drilling rig used for?

Backed by over 50 years of experience in the drilling industry, our drill rigs are used for water well and geothermal well drilling, geotechnical and environmental drilling, mineral exploration, geothermal wells, construction and utility work, and a wide range of other diverse applications. Our featured water well drilling rig is the SIMCO 7000.

Where can I find drilling equipment?

At SIMCO, find drilling equipment including water well drilling rigs, geothermal drilling rigs, drill rigs, drill equipment and more. Request a quote!

What is the best water well drilling rig?

Our featured water well drilling rig is the SIMCO 7000. The 7000 is truly the work horse of the SIMCO water well drilling rigs stable. With an auto indexing drill rod carousel (10 or 16 drill rod) and up to 1,100 foot air or wet rotary drilling depth, the SIMCO 7000 is the ideal geothermal drilling and water well drilling solution.

What kind of drilling rigs does DeepRock manufacture?

DeepRock manufactures a full line of compact, powerful well drilling rigs. Rated for air or mud rotary drilling, our rigs are available with gas or diesel power and in truck, unitized single axle trailer, track or skid mount configurations. Geo-thermal drilling is one of the fastest growing segments of the market.

Where can I buy a water well drilling machine?

If you know of any companies that do water drilling, they may be able to sell you a machine. This is likely to be the most expensive option, but it's worth considering if you can't find what you're looking for elsewhere. Auctions are another option to consider. You may be able to find a water well drilling machine for sale at an auction.

Find the best Water Well Drilling Rig from a leading manufacturer, supplier, and factory. High-quality 100m rig for sale at competitive prices.

Water Well Drilling: Engineered to drill water wells with capacities reaching depths of 100m, 300m, and 500m, adaptable for varying geological conditions. Rotary Drilling: Utilizes a rotary drilling ...
