

430 open-pit down-the-hole drill rig

Kaishan KG430 blast hole drill rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

DMiningwell 416T-1 small split down-the-hole drill rig is mainly used in quarries, cement mines, open-pit coal mines and other types of mines. It is equipped with a 3.5-inch impactor, a main ...

The KT9D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

KT9C Integrated Down the hole Drill Rig for Open Pit Mines and Quarries KT9C integrated surface DTH drilling rig is efficient and energy-saving advanced drilling equipment which is ...

The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and drilling controls easily accessed ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

KG430/KG430H open-pit down-the-hole drilling rig adopts a folded track frame and engineering four-wheel belt, and adds track leveling and plunger travel ...

Discover the ZGYX430S DTH drilling rig produced by Zhejiang Miningwell Machinery Co., Ltd, a specialist in drilling equipment production. ZGYX430s is portable, efficient, and designed for ...

Integrated Open-pit Down-the-hole Drill Rig Starting this week, we will introduce you a product every week, and walk into the product world of Zhigao Machinery with you. This week, we will ...

Split open-pit DTH drill rig ZGYX430 offered by Zhejiang Miningwell Machinery Co., Ltd, with a 30m drilling depth, it's suitable for open - pit mining. It features stable performance and is a ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of ...

KT5D Integrated Down The Hole Drill Rig For Open Use can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

Go to [Tzpilemachine](#) for our high precision and high quality open-pit down-the-hole drilling rigs. Factory

430 open-pit down-the-hole drill rig

price open-pit down-the-hole drilling rigs, etc.,.

XD430 Crawler Mounted DTH Drilling Rig Brief Introduction XD-430 Hydraulic Crawler Mounted DTH Drilling Rig is suitable for drilling medium-deep blasting holes in open-pit projects...

KZ9430 Crawler type open-pit down the hole drilling rig The KZ9430 series tracked outdoor down the hole drilling vehicle is a new type of down the hole drilling vehicle developed to meet ...

ZGYX-430/416-1 split open-pit downhole drill is a common DTH drill. This DTH drilling equipment is the traditional heavy-weight split type drilling rig. Its full ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years ...

Overall, we do everything we can to ensure you get maximum life, productivity and performance from your rock tools, so that you can achieve the lowest total ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years of development and production of ...

KH712D open-pit down-the-hole drill adopts new hydraulic technology and is a powerful assistant for rock drilling in open-pit mining, road construction, water conservancy, power stations and ...

MWYX-430 separated DTH drilling rig has an optional maximum rotation torque of 7000N.m and is suitable for pit foundation anchor rods, root canals, and large ...

The KG9 down the hole drill rig is designed for open pit mines and quarries for drilling holes with a diameter of 105-152mm in vertical, inclined, and horizontal orientation.

It can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT7C high air-pressure down the hole drill rig for open use is an advanced drilling device integrating a down the hole drilling system and screw air ...

The KG430S/KG430SH dth drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. The drill rig ...

430 open-pit down-the-hole drill rig

Purchase high-quality split open pit dth drilling rig from Zhejiang Miningwell Machinery Co., Ltd, a leading manufacturer in China. Enjoy low prices when you buy split open pit dth drilling rig ...
