

Active bp drilling rigs

How many drilling rigs does BP have in the Gulf of Mexico?

HOUSTON - BP today announced it has added two drilling rigs to the deepwater Gulf of Mexico, bringing its fleet to a company record nine rigs as it continues to develop its strong portfolio of assets in the key US offshore basin.

What does active rig count mean?

When drilling rigs are active they consume products and services produced by the oil service industry. The active rig count acts as a leading indicator of demand for products used in drilling, completing, producing and processing hydrocarbons.

What does the new Mad Dog drilling platform mean for BP?

With the new, state-of-the-art rig, the platform recently resumed development drilling at the massive Mad Dog field complex. "The addition of these two new rigs reflects the vital importance of the deepwater Gulf of Mexico to the future of BP," said Richard Morrison, Regional President of BP's Gulf of Mexico business.

How many oil rigs are there in the US?

The June 20th Baker Hughes rig count report shows a drop in the active rig count. Baker Hughes reports 554 active drilling rigs in the US. In April, the total active rig count was 587. One year ago, the total active rig count was 588. The oil rig count is currently 438 rigs, compared to 483 in April and 485 one year ago.

Why did BP add two new rigs to the Gulf of Mexico?

"The addition of these two new rigs reflects the vital importance of the deepwater Gulf of Mexico to the future of BP," said Richard Morrison, Regional President of BP's Gulf of Mexico business. "It also clearly demonstrates BP's commitment to the American economy and US energy security."

How many rigs are there in April?

In April, the total active rig count was 587. One year ago, the total active rig count was 588. The oil rig count is currently 438 rigs, compared to 483 in April and 485 one year ago. The gas rig count is 111, compared to 99 in April and 98 last June. In the major plays, the Permian Basin rig count is at 271 rigs, 13 fewer than April's count.
