

Are rigid drills any good

My personal review about this product. I do not get compensation for the product. I just felt that I needed to do a brief review about it. Specifications ar...

Re: is rigid a good brand to buy? I have a few ridgid portable tools, including a couple of cordless drills and drivers mostly because of the lifetime service agreement, the lsa ...

I have a Ridgid drill and impact driver combo I bought wkth the lifetime warranty from Home Depot a couple years ago. I have zero complaints, the batteries bold a charge ...

While the tools are little expensive for something with that reputation, Ridgid's cordless tools maintain good review scores on hardware ...

Ridgid made its name with plumbing tools like pipe cutters, heavy pipe wrenches, pliers, and more. DeWalt became famous for its stationary ...

The Ridgid 18V Brushless Cordless Sub Compact 1/2 in is a good drill with a high level of performance and great battery life, but lacks the power to get certain jobs done. ...

I'm not a fan of most Ridgid power tools. Their battery line is too heavy for no good reason, they aren't overbuilt and break just as easy as other brands, they just weight more. They have not ...

Ridgid 18V SubCompact Drill Gets A Power Upgrade The Ridgid 18V SubCompact lineup includes a number of tools that rival most 12V tools in ...

Ridgid is one of the lesser-known tool manufacturer that's often compared to Dewalt, Milwaukee Tools, and other leading tool brands. But how ...

The Ridgid R86009K is a good, all-around drill that scored well in almost all of our tests and finished in the upper portion of the group overall. It ...

Ridgid Drill Not Releasing The chuck on your Ridgid drill is worn out, dirty, and grimy, or it is not locking properly, which is why your Ridgid drill ...

There is a power tool out there for every job, but which company puts together the best, most reliable products? Let's rank every major power ...

I own both brands, and I know the quality of my Milwaukee tools and their customer service, and I have vastly

Are rigid drills any good

more tools available to me on that battery ecosystem, so I see no need to buy Flex ...

I have a 5 piece rigid kit with the sawzall, skilsaw, hammer drill, regular drill, and impact. My parents bought it for me when I first got into the trades at 18yo.

Ridgid R86006 Drill Replacement 18V Li-Ion 3.0 Ah Battery a pack of two batteries that are all in good condition. Compatibility and versatility were all major concerns during the ...

When it comes to choosing power tools, two brands often come to mind: Rigid and DeWalt. Both have earned strong reputations within the industry, each boasting a loyal ...

Chris wrote in, asking about our take on Ridgid tools: You seldom review rigid tools and I don't see them in any of the "top..." lists. Are they not as good as the big 4 brands? Thanks!

The RIDGID 18V SubCompact Brushless 1/2 in. Drill/Driver and Impact Driver Combo Kit, Charger and Bag offers optimized ergonomics and power in a light -weight form.

Whether it includes their popular drills and drivers or their new RIDGID tools for tile, we test almost everything you can buy online or at The Home Depot.

Ridgid makes good tools, I had a bunch of the 18v stuff but I ended up making the switch to DeWALT. I highly recommend sticking to a brand sold by more than one retailer.
