

Argentine drilling rig rock drill

Griffith Drilling, established in September 2011, is a leading Chilean exploration drilling company with operations in Chile and Argentina. Griffith Drilling ...

DLS operates one of the largest fleets of advanced technology, AC-powered land rigs in Latin America, including Quicksilver and Ideal drilling units. These mobile, innovative land rig units ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the ...

Rock Drills Sunward America's Drills have a unique advantage in complete machine stability, control technology, steel wire rope consumption, and other performance indicators, its ...

Explore the different types of drilling rigs from the oil and gas industry and understand how each one is built for specific depths, locations, ...

Nuestra experiencia en 25 años est respaldada por los 12 millones de metros perforados. Explora nuestras máquinas de alta eficiencia y precisión para todo tipo de operaciones ...

Epiroc's Simba long-hole drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground production drilling.

Sandvik intelligent surface drill rigs bring the latest technology to surface mining applications. View our leading range of surface drilling rigs.

Traxxon is a leading supplier of surface drill rigs from Sandvik in Canada, providing precision rock drilling equipment for challenging applications.

PATAGONIA DRILLING We are an Argentine mining and oil services company, dedicated to drilling for mining and oil production and exploration. We specialize in the construction of water ...

Rotary drilling rigs are among the most sought-after drilling tools in the modern-day industry, thanks to their extreme efficiency and versatility, ranging from ...

Invasor Drilling Services ofrece un servicio de evaluación de integridad de equipos de perforación y gerenciamiento de proyectos de ejecución de pozos de oil and gas convencionales/no ...

Argentine drilling rig rock drill

For Argentine mining enterprises, the arrival of GRAND KHITAN-960 DTH full hydraulic crawler drilling rig is undoubtedly a "timely rain". It can not only significantly improve the efficiency of ...

A drilling rig is a machine used to create holes in the earth's surface for resource extraction, primarily oil and gas. It functions by rotating a ...

Epiroc's Simba long-hole drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

Exploration drilling is underway for Challenger Exploration at its Hualilan Gold Project in San Juan Province, Argentina. In August 2020, Major Drilling teams ...

Maximize drilling with quality-built drifters that feature patented and proven energy recuperating, hydraulic rock drill dampening and progressive blow energy ...

Our Argentine Drilling Corporation, giving our best to provide a quality service is a top priority. We work hard to make sure all is done well, but also work with safety is part of the ...

All our drilling rigs have hydraulic catwalk, top drive and "iron roughneck" and 80% of them are 1,000 HP or greater. In addition, the company has a large backup inventory in Argentina, ...

Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and ...

Brand New, Affordable and Dependable Drilling Rigs, Get A Quote On Your Brand New Drilling Rig. Call 1-800-334-3117 To Talk To One Of Our Drilling ...

The award-winning Autorock Drill Rig revolutionised narrow-vein vertical support hole drilling for in-stope support in South African platinum mines. This patented double-clamping rig was ...

Each month Westwood's onshore team provides a global update on land drilling rig supply, with data sourced from and analysed using Westwood's Global Land Rig tool.

ZZ Group machinery corp is a manufacturer who designs and produces geological exploration equipments (like drill rigs), coal bed methane equipments (like CBM drill rig), engineering ...

Surface Rock Drills Make every liter of air count. Every pneumatic underground rock drill combines lightweight, high torque, and high impact energy. Use ...
