

Austria anchor drilling rig accessories

Who is Bauer rigs & accessories?

Over the past 25 years, the company has been the specialist within the BAUER Group for the development and manufacture of anchor drilling rigs and accessories. And what's more, the company's history goes back exactly 60 years. Do you have any questions or would you like to know more about us, our products and services?

Why should you use a drilling rig for Micropiles & ground anchors?

We have extensive experience in the engineering of drilling rigs for micropiles and ground anchors for slope stabilization and soil investigation, satisfying customer's necessities in the enhancement of existing foundations and construction of new foundations.

What is a drilling rig?

Our drilling rigs are highly flexible and compact drilling rigs, designed and manufactured with increased stability and power. Thanks to the new joints section they are fast and rapid machine to operate, suited also for difficult drilling conditions in confined and limited areas which require particularly compact and mobile equipment.

Why do you need a drill rig?

Thanks to the new joints section they are fast and rapid machine to operate, suited also for difficult drilling conditions in confined and limited areas which require particularly compact and mobile equipment. We developed well-proven drill rigs for micropiles, ground anchor and foundation construction, but also intended for special applications.

What accessories does Digga manufacture?

Digga manufacture a range of accessories for Auger, Anchor & Foundation Drives including an auger drive swing control system, excavator hitch, pressure differential gauge, diggalign and swoosh valve for the drilling, piling and foundation industry.

Hydraulic drilling rigs, drilling accessories, know-how and service for civil engineering and geothermal applications Hütte Bohrtechnik is a global leader ...

4. Advantages of anchor drilling rig (1) High Efficiency: Advanced hydraulic systems and automated controls improve drilling speed and accuracy. (2) Versatility: Capable ...

INFO Product group Anchor drill rigs Brand / model Wimmer AB2300 Year of Mnftr 2003 Usage hours 1 300 h Condition Rental possibility,Reconditioned,Remanufactured Country Austria ...

Introduction The term "Anchor/Micropile Foundation Drill Rig" covers several differing types of machines for

Austria anchor drilling rig accessories

use in the deep foundation construction industry. This guide is intended to cover ...

The JZG type deadline anchor is designed to fix the dead end of the drilling rig hoist rope and convert the tensile of the dead end of the hoist rope to hydraulic pressure or to the load cell ...

A deadline anchor on an oil rig is a critical component used to secure the dead line, which is the non-moving end of the drilling line in a ...

We have extensive experience in the engineering of drilling rigs for micropiles and ground anchors for slope stabilization and soil investigation, satisfying customer's necessities in the ...

underground drill rigs, creating fresh applications in rock and soil reinforcement. Atlas Copco's Rock Reinforcement Center in Austria brings together the skills necessary for the develop-

Particularly when it comes to anchor drilling technology, the KR series continually sets new standards. But also for geothermal drilling, high pressure injection or vertical drilling under tight ...

Hütte HBR 204 is a hydraulic drilling rig for micropiles and ground anchor. It is also particularly suited for soil drilling and soil investigation, slope stabilization ...

Used anchor drill rigs for sale from Austria available on Mascus AU. Browse ads from anchor drill rigs for sale in Austria, you can also search here for anchor drill rigs in other Oceania countries ...

T44 for sale - Austria - Mascus New ZealandINFO Type of Product Group Anchor drill rigs Brand / model Beretta T44 Location Sooß, Niederösterreich Country Austria Mascus ID 1817181A

Anchor Drilling Rig SA-150Q For Deep Foundation Pit Support Engineering SA-150Q crawler-type hydraulic anchor drilling rig is the professional soft soil ...

surface drill rigs, heavy drills, anchor drill rigs ads for sale. All types of used machinery and equipment for sale worldwide advertised in - from Austria - Mascus Australia Mining and ...

Drilling Accessories - You find here 33 suppliers from Germany Austria Switzerland China Turkey and Russia. Please obtain more information on spare parts, servicing, maintenance, Repair, ...

China leading crawler anchor drilling machine manufacturer. Anchor drill rig suitable for landslides & dangerous rock mass anchoring projects.

The HR-300X anchor drilling rig can meet the needs of a variety of drilling technology, such as water injection and powder discharge, soil drilling, anchor ...

Austria anchor drilling rig accessories

With our bolting material made from stainless and nickel coated steel we offer a wide range of material required to put up new climbing routes on rock and ice. Bolt hangers, glue-in bolts ...

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

underground drill rigs, creating fresh applications in rock and soil reinforcement. Atlas Copco's Rock Reinforcement Center in Austria brings together the skills ...

Hütte offers a wide range of drilling tools for drilling rigs: rotary heads, hammers, hydraulic manipulators and drilling systems. These are the best high-tech ...

Crawler anchor drilling rig, construct-optimized, self-moveable, easily to install& uninstall the drilling tools and comprehensive anchoring job ability.

Micropiles and Anchors Comparative table of Hütte drilling rigs: comparison of engine power, crawler and weight. Hütte provides hydraulic drilling rigs for ...
