

Bauer drill rig

What kind of drilling equipment does Bauer manufacture?

Bauer and its subsidiaries manufacture rotary drilling rigs, anchor drilling equipment, trench cutters, pile driving equipment, deep drilling rigs, geothermal drilling rigs, mixing plants and blast-hole drilling rigs.

Why should you choose Bauer drilling rigs?

With Bauer drilling rigs, you can accomplish your specialist foundation engineering projects in an efficient, safe and sustainable manner. Efficient, because we also deliver matching accessories and all drilling tools from a single source along with the multi-function equipment.

What is a Bauer rig?

To meet those challenges, Bauer Maschinen offers deep drilling rigs with hook load capacities up to 450 tonnes, enabling vertical and directional drilling down to depths of more than 7,000 metres. Beside the Bauer standard advantages like enhanced rig availability, redundancy of key systems, increased efficien-

Which drilling rig is best for Kelly drilling?

If you are looking for a drilling rig specifically for Kelly drilling, then you should get to know our KellyLine. The drilling rigs with H-kinematics are characterized by a wide mast outreach and fast setup times. Here you will find an overview of all rigs including technical data.

How is a Bauer rig tested?

Each rig is tested to ensure it is stable when fitted out with the equipment ordered for use on it. Bauer also operates a 55 metre deep test shaft to verify the smooth running of its telescopic Kelly bars. The object of the testing is to achieve optimum interaction between all the elements, so that the rig can attain its maximum efficiency.

What is a Bauer BG40 rig used for?

The Bauer Equipment BG40 is a 54-ton track mounted vertical drill rig used primarily for large diameter drilled shafts, deep soil mixing, cased secant piles, stone columns or applications where large diameter sectional casing is required. It is capable of drilling shafts up to 10 feet in diameter to depths up to 48m.

Quality machines Bauer Maschinen has built since production first rotary drill rig BG 7, many of them are still in operation Siberia as well as in the desert. State of the art technology by our ...

The drilling rigs of our H-line are characterized by a wide mast outreach and fast setup times. Here you will find an overview of all rigs including technical data.

The Bauer BG55 is a powerful, advanced vertical drill rig designed for heavy-duty geotechnical and foundation work. It features high torque output, exceptional ...

Bauer drill rig

The system controls the drilling and/or extraction speed of the crowd system and enables handsfree operation. This ensures the production of a high-quality pile while simultaneously ...

Drilling Rig BG 36 H BT 85 | Bauer Maschinen PDF, 4.17 MB Download ... Drilling Rig BG 55 BS 115 | Bauer Maschinen PDF, 1.8 MB Download ... Cutter System BCS 185 / BCS 185 power ...

Bauer drilling tools have been developed from practical experience and optimized for penetrating different types of ground - from loose soils to hard rock. As a result, our drilling tools offer ...

The Bauer Sea Bed Drill BSD 3000 is an underwater drilling rig for deep waters that operates using a full face roller-bit by means of the air lifting process. It is ...

Bauer Vertical Drills you need-closer than ever. 48 Bauer Vertical Drills available for sale on Machinery Trader. Prices range from \$111 to \$2,421,061. Machinery Trader brings you ...

BAUER Maschinen GmbH in the 1970 s with the first rotary drill rig BG 7, many of them all over the world - in Siberia as well as in the desert. State developed end-to-end by our inhouse ...

Our duty-cycle cranes, pile driving and piling leader equipment, rigs, mixing and separation technology as well as anchor drilling rigs are synonymous with the highest quality and efficiency.

Our duty-cycle cranes, pile driving and piling leader equipment, rigs, mixing and separation technology as well as anchor drilling rigs are synonymous with the ...

Our multifunctional BG 45 BS 95 is suited for Kelly drilling, soil mixing techniques and for soil improvement. All details can be found in the overview.

Find the right drilling tool in just three steps with our Dritoc drilling tool configurator! Our multifunctional BG 72 BT 180 is suited for Kelly drilling, soil ...

The multipurpose rig RB 65 is versatile for applications such as well drilling, raw materials exploration, geothermal heat or geotechnical and seismic drilling. ...

The BAUER BG ValueLine The BG ValueLine Perfection is achieved when there is nothing left to take away. Drilling uncased deep boreholes stabilized by drilling fluid, or drilling cased ...

machines Bauer Maschinen has built since the first rotary drill rig BG 7, many of them are in Siberia as well as in the desert. State of the end-to-end by our inhouse engineers and full ...

The Bauer Equipment BG40 is a 54-ton track mounted vertical drill rig used primarily for large diameter

Bauer drill rig

drilled shafts, deep soil mixing, cased secant piles, ...

The BAUER Group is a leading provider of services, equipment and products related to ground and groundwater. With over 110 subsidiaries, Bauer operates a worldwide network on all ...

Our multifunctional and robust BG 15 H on the BT 50 base carrier is suited for Kelly drilling, soil mixing techniques and for carrying out soil improvement ...

BAUER Maschinen GmbH More than machines: Competent consulting Quality is not an act, it is a habit. Of the thousands of machines Bauer Maschinen has built since production started in the ...

Drilling Rig BG 36 H BT 85 | Bauer Maschinen PDF, 4.17 MB Download ... Drilling Rig BG 55 BS 115 | Bauer Maschinen PDF, 1.8 MB Download ... Cutter ...

BG 20 H The BAUER BG ValueLine The BG ValueLine Perfection is achieved when there is nothing left to take away. Drilling uncased deep boreholes stabilized by drilling fluid, or drilling ...
