

Bonanza drilling rig 8

Who is Bonanza drilling?

Bonanza Drilling builds superior equipment, maintained by a dedicated group of skilled operators. Our goal is to lead the industry in performance and safety in order to exceed the demands of our customers and our industry. Find your rig fast! View specifications and location - updated weekly. When you drill down, it's all about our people.

Are Bonanza rigs a good choice?

Bonanza Rigs have a proven track record and have exceeded the industry standard for utilization and overall productivity for the past ten years. Bonanza's Total Recordable Incident Frequency (TRIF) has been well below the Canadian Association of Oilwell Drilling Contractors (CAODC) since inception.

Why is Bonanza drilling a leader in Rig utilization?

As a result, Bonanza Drilling is among the leaders in rig utilization. Our success is a combination of strong management, premium rigs, experienced staff and the ability to grow with operator demands without compromising our family culture.

How can a warrior rig be set-up?

They can be set-up as permanent installations (integral to the mast) or as portable units with a removable guide rail in the mast. Warrior can custom-design a complete system consisting of top drive, drillers console, hydraulic power unit (AC or diesel driven), guide rail and accessories to fit each unique rig application.
