

Boyang Screw Air Compressor

Who makes Boyang rotary compressor for air conditioner?

We are an authorized dealer of BOYANG (BOYARD) rotary compressor for air conditioning made in China, We supply all kinds of BOYANG (BOYARD) rotary compressor for air conditioner, range from 0.5 - 3HP. Boyang Compressor was born in May, 2006. The company covers 33,000 square meters including 20,000 square meters of architectural area.

What is a Boyard refrigeration rotary compressor?

Boyard refrigeration rotary compressors are the ideal choice for various refrigeration equipments such as display case cabinets and condensing units. Boyard horizontal compressors excel in transport refrigeration, providing reliable cooling solutions for vehicles like vans, trailers, and food trucks.

Who is Boyard rotary compressor?

After years of continuous innovation and development, Boyang created wide sales footprint globally. Product brand Boyard has taken the lead in the industry and won good reputation all over the world. Focused on Rotary Compressor for Specialized Applications RV/Caravan Air Conditioner Truck Air Conditioning Roof-mounted Boyard Compressor.

Why should you choose Boyard compressors?

Boyard compressors are highly regarded in specialty cooling applications, offering tailored solutions for medical equipment, laboratory refrigeration, laser-cooling, industrial cooling systems. Besides these market-leading clients, Boyard is also experienced in collaborating with middle size companies with customized products.

Why should you choose Boyang?

Boyang strive to deliver high levels of efficient, comfortable and reliable rotary solutions to customers that also care about lower cost, fast delivery and compliance to environmental laws.

Principle, types, and benefits: read on how rotary screw compressors provide efficient, continuous compressed air for various industrial applications.
