

Casagrande drill rig rentals

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

Why should you rent a drilling rig?

In the dynamic drilling industry, there is nothing more important than high-quality equipment rentals. Drill rig rentals not only provide flexibility but also ensure that drilling contractors are getting the latest and best equipment without the complexities of owning a rig.

What is a Casagrande piling rig?

Casagrande piling rigs are the ideal solution for geotechnical projects in special foundations. They guarantee efficiency, safety and sustainability, with a wide range of solutions to meet every need.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

What can Casagrande do for You?

At Casagrande, we provide piling rigs, crawler drills for micropiling, anchoring, and jet grouting, diaphragm wall equipment, and tunnel consolidation solutions - offering over 300 customizable options. Our approach combines research, innovation, and strategic vision to develop equipment tailored to specific needs and performance requirements.
