

China Tianrui Rock Drill

The hydraulic breaking hammer and chisel, high pressure DTH hammer and drill bit, drill rod which Tianrui produced have the advantage of long operating life, high crushing efficiency and ...

TIANRUI lies in Weifang Shandong, China. We have an innovative R& D team with 30 staffs and 10 senior engineers. We provide Pneumatic rock drills, Hydraulic breakers and Chisel, Grout ...

Company Introduction Shandong TIANRUI Heavy Industry Co., LTD is the famous national high technology enterprise with 44 patents, which is specialized in researching, designing and ...

Dongying Tianrui Petroleum Science & Technology Co., Ltd - China supplier of drilling tools, electric-magnetic equipments, drill pipe

Company Introduction Shandong TIANRUI Heavy Industry Co., LTD is the famous national high technology enterprise with 44 patents, which is specialized in researching, designing and ...

This paper mainly describes the maintenance and operation of the rock drill, the problems that should be paid attention to, the common faults of the rock drill and their ...

Company Description Shandong TIANRUI Heavy Industry Co., LTD is the famous national high technology enterprise with 44 patents, which is specialized in researching, designing and ...

Mining, Tunneling, Rock drill tool and parts. · Air leg rock drill and its complete parts (including piston and other wearing parts; body, air leg and oiler parts). & lt;br& gt; Drill rods for ...

The YT28 air-leg rock drill used for tunnel driving is the best drilling machine, in China. The high drilling speed, the low failure rate and the long operating life of wearing parts are widely ...

Tianrui Group, founded in 1982, is a joint-stock enterprise group integrating green building materials, casting (intelligent manufacturing), Internet technology, culture & tourism, coal ...

Company Details Shandong Tianrui Heavy Industry Co., Ltd., Established in 2008 at Weifang in Shandong, is a leading Manufacturer, Supplier of Pneumatic Products & Tools in China. ...

High-efficient, energy-saved and environmental, a necessary tool and widely used in tunneling, highway, earthworks, water engineering, quarrying, mining and all kinds of rock drilling works, ...

The high drilling speed, the low failure rate and the long operating life of wearing parts are widely praised by

China Tianrui Rock Drill

drilling rig on sale,buy cheap Tianrui Heavy Industry YT28 gas leg rock drill mine ...

Tdrill Bits is dedicated to the research and manufacturing of rock-breaking tools such as PDC drill bits, hybrid bits,coring drill bits,dual-core drill ...

Located in High-tech Zone of Weifang City with registered capital of 50 million yuan, Shandong Tianrui Heavy Industry Co., Ltd. is a high-tech enterprise engaged in drilling machinery ...

It is suitable for drilling horizontal and slant blast holes on the medium-hard and hard (f=8~*8) rock. As well as that, it is also used to drill the hole of rock bolt on the roof.
