

Clash of Clans Engineering Drill Builder

Why do clans use engineers?

This means that the clans which used engineers (which had a high offence to defense ratio) would match with other clans which also used engineers, canceling out the advantage they gave and usually resulting in 100% draws. The 2 main types of engineers are "defensless" and "minimaxes".

Can a Battle Drill be obtained from a clan castle?

The Battle Drill cannot be received in a clan castle until the latter is upgraded to at least level 9. Unlike other Siege Machines, it can be donated to any level 6 or higher Clan Castles.

What is a Battle Drill in Clash Royale?

The Battle Drill in Clash Royale is very similar to the Goblin Drill from Clash Royale. It functions similarly to the Miner in Clash of Clans, burrowing to the next target each time it moves. In Clash Royale, the Goblin Drill can be deployed in the opposing territory like the Miner.

What can I do with Clash of clans?

Share your own Clash of Clans tips and tricks. Create your own Clan Website for recruiting and chatting with Clan Members. Style it with custom styles, Track Members trophies and more! Use the Clash of Clans Attack Simulator to attack any of the layouts with wallbreakers and watch those walls crumble in real time.
