

Cme drill rig types

Central Mine Equipment Company was founded in St. Louis, Missouri in 1928. Our initial product line included augers, cutters, and related accessories for ...

CME drilling rigs are mounted on trucks, all-terrain rubber-tire carriers, track carriers with steel grousers or rubber cleats, on skids or trailers. CME drills are ...

Description: 1998 CME 850 Track Mounted Geotechnical Drill Rig Year: 1998, Make/Model: CME 850, Hours/Mileage: Gauge reads 2571 hrs, Wheel Type: Grouser bar ...

The CME-55 can be mounted on a variety of different carriers, including two wheel or all-wheel drive, single or tandem axle trucks. It can also be mounted ...

CME 45|Geotechnical Drill Rigs - For SaleExplore currently available, pre-owned CME geotechnical and environmental drill rigs. Invest in reliable equipment to ...

CME heavy-duty and extra-heavy-duty augers give you the extra edge you need for today's highly competitive drilling industry. The heavy-duty augers feature ...

The initial product line included augers, cutters and related accessories for the coal mining industry. In 1962, the first drill rig was introduced, the CME-55. Today, CME ...

Whether it's a large diameter auger hole, or a deep rotary job, no other rig is going to get it done faster or more efficiently than the CME-95. Day after day... year after year.

The largest rigs in our hollow stem auger fleet are the CME 95s. With over 31,000 foot-pounds of torque and four forward gears, there's a rotation speed and torque combination for just about ...

DA Smith's CME-55 drilling fleet includes versatile, self-contained vertical and angle-capable geotechnical rigs capable of both auger and core drilling. All ...

The CME 55 is powered by a Cummins QSF 3.8 turbocharged 4-cylinder diesel engine and equipped with a cold start assist, it makes getting the rig started in the Canadian winter a breeze.

Item No 16199 Condition Used Manufacturer CME Drill Status Available Model Year 0 Model No 55 Drill Rig Quantity 1 Price Contact us for Pricing! ...

The only drill rigs of its kind, the CME 75 LAR rubber-track drill rig has great torque and power but with a

Cme drill rig types

working height of just 14.5 feet. This is the only rig ...

The CME-45C, CME-55, and the Low Clearance CME-55LC and CME-55LCX rigs are all available mounted on the compact, remote controlled CME-300 rubber-tracked carrier.

The CME 140-lb automatic SPT hammer provides extremely consistent and accurate Standard Penetration Test results, meeting all ASTM-D-1586 ...

CME trailer mounted drills 45B, 45C, 55, 55LC, 55LCX are efficient auger, core, rotary rigs for geotechnical, environmental and mineral exploration.

CME skid rigs CME-45C, CME-55 are efficient auger, core, rotary drills for geotechnical, environmental and mineral exploration, SPT, CPT, DTH, sampling.

No CDL required The CME-45C is commonly mounted on 4x2 and 4x4 trucks rated at or under 26,000 pound GVWR. Hydraulic feed and retract system ...

The CME-95 drill platform is heavy duty just like the drill, and designed to fit most tandem axle trucks. Two hydraulic leveling jacks are included at the rear of the ...

Find cme drill rigs from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

Truck Mounted Drilling Rigs CME 45, CME 55 and CME 75 - High Torque Capable of drilling holes with conventional and hollow stem auger to depths of 75 - 250 feet (pending auger ...

The CME-55LC is our most compact hydraulic drilling system that uses a steel core reinforced rubber track system that gives it a 0° turn radius. This rig has a ...

With a maximum spindle speed 210 rpm. Mud motor operation is facilitated by a spindle brake, enhanced drilling fluid flow, and cruise control. ...

All drilling and set-up controls are logically arranged on the control panel located at the drillers" station. And the location of all primary controls is the same on all CME drill models so ...

CME-850X The CME-850X can get you to locations that are inaccessible to any other type drill rig. The 33 inch wide tracks spread the surface contact area of this all-terrain track drill over ...

55 feet (16.2 m) per minute Stroke 72 inch (183 cm) 55 Features | 55 Specifications | 55 Optional Equipment Performance ratings are based on ...
