

Comacchio drill rig italy

The Comacchio range of geotechnical and geo-environmental site investigations equipment includes four truck mounted drilling rig models, that can be used for conventional and wire line ...

The Comacchio MC-28D is a versatile drilling rig designed for micropiles and anchors construction, boasting a reinforced undercarriage and adaptable mast ...

Crawler and truck mounted hydraulic drilling rigs with a pull up capacity ranging from 10 to 30 tonnes, designed and optimized for the construction of water and geothermal wells with the ...

The hallmark of our drilling rigs is the great variety of mast positions and inclinations that they are capable to perform thanks to the Comacchio patented articulation system. This unique ...

The GEO 900 was conceived as a mid-size hydraulic drilling rig for geotechnical works. This rig incorporates a particularly flexible design and accommodates ...

COMACCHIO, a world-renowned designer and manufacturer of drilling rigs, celebrated for its innovative spirit and commitment to excellence. Founded in 1986 and still family-run, ...

The MC 22A is the new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to the unique Comacchio radio ...

The Comacchio drilling rigs can be configured for single, double and triple fluid jet grouting, satisfying the most varied needs. Our offering ranges from compact models sized to work ...

Hydraulic crawler mounted drilling rigs, with a pull up capacity ranging from 7 to 20 tonnes, configured for rotary drilling with single-head systems, able to meet ...

foundations & ground improvement Microdrilling geotechnics & exploration Geotechnics geotechnics & exploration Exploration water well & geothermal Multipurpose drill rigs water ...

Hammer & Steel sell and leases Comacchio MC 14 drilling rigs for projects including ground consolidation, geotechnical work, and anchor drilling.

Hydraulic crawler mounted drilling rigs, with a pull up capacity ranging from 10 to 50 tonnes, configured for rotary drilling with single-head systems, designed ...

Truck Mounted Drill Rigs Hydraulic truck mounted drilling rigs trucks, with a pull up capacity ranging from

Comacchio drill rig italy

10 to 30 tonnes, ideally suited for vast exploration ...

Comacchio GEO line rigs can adapt to virtually any rotary drilling application, as well as rotary percussion drilling techniques, in all geological formations. ...

Roll-off system The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground ...

The Comacchio GEO305 rotary drilling rig is capable of carrying out numerous drilling techniques, whilst still being light weight and compact, thus making it a very versatile and cost effective rig.

Thanks to the experience gained in the field alongside our customers around the world, Comacchio has developed a series of accessories and ancillary ...

Comacchio is an Italian drill rig manufacturer offering the most comprehensive product range in the industry, covering the full spectrum of drilling activities, including foundations, geotechnics, ...

The Comacchio CX line of exploration drilling rigs includes four truck-mounted rigs that range from lightweight compact units installable on small 4x4 trucks, up to 30-tonnes-pull rigs mounted on ...

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground improvement in general. The rig's ...
