

## Comacchio drilling rig

Truck Mounted Drill Rigs Hydraulic truck mounted drilling rigs trucks, with a pull up capacity ranging from 10 to 30 tonnes, ideally suited for vast exploration ...

The Comacchio range of geotechnical and geo-environmental site investigations equipment includes four truck mounted drilling rig models, that can be used for conventional and wire line ...

Equipped with advanced modular hydraulic circuits, the MC 28 can utilize a wide range of rotary heads, hydraulic drifters, double head systems, water and mud ...

The GEO 602 is a compact and powerful drilling rig suitable for many geotechnical works. This rig incorporates a particularly flexible design and can ...

Hammer & Steel, Inc. sells and rents Comacchio drilling and pile driving rigs in the U.S., and has brochures available for the MC and CH lines.

Comacchio GEO line rigs can adapt to virtually any rotary drilling application, as well as rotary percussion drilling techniques, in all geological formations. ...

Separate power pack The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in confined or low overhead spaces ...

The Comacchio CX line includes a diversified selection of models, ranging from lightweight and compact units, suitable for exploration drilling up to 1000 m depth with NQ rods, to heavy ...

The Comacchio MC-28D is a versatile drilling rig designed for micropiles and anchors construction, boasting a reinforced undercarriage and adaptable mast ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and geothermal energy.

The MC 22A is the new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to ...

The CH 850 is a high-performance multipurpose piling rig, engineered to tackle the most demanding foundation projects with powerful torque, advanced ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground

## Comacchio drilling rig

consolidation, anchor drilling, water well drilling and ...

The MC 15P is a compact high-performance drill rig designed for works such as micropiles, anchors, jet grouting and consolidations in general. The mast articulation allows it to be used ...

Why Rig Services? Rig Services has been operating for over 20 years and is a highly respected and experienced supplier of Comacchio drill rigs for hire on a ...

Hammer & Steel sell and leases Comacchio MC 14 drilling rigs for projects including ground consolidation, geotechnical work, and anchor drilling.

Roll-off system The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground ...

Description: Title: Comacchio MC1500 Geotechnical Drill Rig Used Comacchio MC1500 Geotechnical Drill Rig for sale. 13,244 Hours Max Torque on the head is 1500d...

Separate power pack The MC 4 D is a hydraulic drilling rig with separate power pack, specifically designed for the execution of ground engineering works in ...

Jet grouting The MC 30 is a high performance hydraulic drilling rig designed for civil engineering works such as micropiles, CFA piles, jet grouting and ...

Fully articulated drilling rigs in a weight range from 3 to 30 tonnes, offering incomparable versatility and high productivity. Thanks to the Comacchio patented mast articulation system, these ...

The result is the great versatility in the use of these drilling rigs: our fully articulated rigs cover the entire spectrum of geotechnical engineering applications (micropiles, anchors, tie rods, soil ...

The MC 15 P is a " multipurpose " machine that can carry out any type of foundation and soil consolidation drilling project, from micro-piles to jet ...

Thanks to the experience gained in the field alongside our customers around the world, Comacchio has developed a series of accessories and ancillary ...

Variety of movements. The MC 22 is the flagship drilling rig in the Comacchio range. Introduced in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast ...
