

Can Comacchio work equipment be used on the drill unit?

The work equipment which is supplied by Comacchio or third parties, can not be used on the drill unit without having assured the full compatibility with it. Page 4 Please read the following regulations and instructions carefully. The contents of this manual are the exclusive property of Comacchio srl. All rights reserved.

Is Comacchio SRL liable for a broken drill rig?

Comacchio srl shall not be held liable for any breakdowns, inconveniences or theft caused by using the machine in a different manner to the one indicated in this manual. Page 11 In case of machine transfer, please report full personal data of new owner to Comacchio srl, so that it is possible to continue relations with the user of the drill rig.

What are the maintenance requirements for Comacchio SRL?

The maintenance must take place always with proper lighting. The contents of this manual are the exclusive property of Comacchio srl. All rights reserved. No part of this document may be reproduced or transmitted. Page 96 The contents of this manual are the exclusive property of Comacchio srl. All rights reserved.

Can the Comacchio Geo 205 machine be used on gradients?

In chapter 2, section 1.3 there is an illustration of gradients that the machine can be used on but does not provide a figure for these inclines. Are you able to provide these limits? In Chapter 2, Section 1.3, the Comacchio GEO 205 machine is illustrated to operate in the following gradient positions: flat, uphill, and downhill.

How do I prevent accidental operation of a Comacchio control?

To prevent accidentally operating any control, Comacchio has fitted a logical and sequential system to be followed to enable the levers of the different controls. Should this sequence not be followed, accidental operation of the controls will not be possible. The contents of this manual are the exclusive property of Comacchio srl.

Is Comacchio SRL liable for damages caused by improper use?

Comacchio srl will not be held liable for damages caused to property, people or animals, due to an improper use of this documentation or equipment. The contents of this manual are the exclusive property of Comacchio srl. Safety rules 9.9.
