

Commachio drill rig

The Comacchio CX line includes a diversified selection of models, ranging from lightweight and compact units, suitable for exploration drilling up to 1000 m depth with NQ rods, to heavy ...

Comacchio GEO 205 Background: This rig can carry out a variety of drilling techniques which makes it a formidable, yet compact soil investigation rig. The ...

The Comacchio GEO305 rotary drilling rig is capable of carrying out numerous drilling techniques, whilst still being light weight and compact, thus making it a very versatile and cost effective rig.

Versatility and Power The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting ...

The Comacchio MC 8D is a compact drill rig with great versatility. This drill boasts 18,000 ft lbs of torque and 14" clamps. It can be also outfitted with a drifter for ...

Heavy duty Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy ...

Comacchio Drilling and Pile Driving Rig Brochures The Comacchio drilling rigs are suitable for several types of specialized works including ground consolidation, anchor drilling, geotechnical ...

Hammer & Steel sell and leases Comacchio MC 14 drilling rigs for projects including ground consolidation, geotechnical work, and anchor drilling.

The Comacchio range of geotechnical and geo-environmental site investigations equipment includes four truck mounted drilling rig models, that can be used for conventional and wire line ...

Thanks to the experience gained in the field alongside our customers around the world, Comacchio has developed a series of accessories and ancillary equipment that is used to ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ...

Comacchio MC 8D Drilling Rigs The MC 8D is a versatile and powerful hydraulic drilling rig, designed for

Commachio drill rig

civil engineering works such as micropiles, anchors ...

Comacchio GEO line rigs can adapt to virtually any rotary drilling application, as well as rotary percussion drilling techniques, in all geological formations. ...

The CH 850 is a high-performance multipurpose piling rig, engineered to tackle the most demanding foundation projects with powerful torque, advanced ...

Comacchio drilling rigs are broadly used in geotechnical engineering for the installation of micropiles. The Comacchio range includes a wide choice of models, featuring a rigid and ...

Comacchio produces a large range of hydraulic crawler drilling rigs for many purposes, truck-mounted drilling rigs for geotechnics and water well drilling, as ...

Comacchio MC 15 P Drilling Rig Based on the concept of the MC 15, the MC 15 P offers higher performance thanks to the superior motorization capable of ...

Crawler and truck mounted hydraulic drilling rigs with a pull up capacity ranging from 10 to 30 tonnes, designed and optimized for the construction of water and geothermal wells with the ...

Comacchio MC 8D Drilling Rigs The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground improvement in ...

Comacchio MC Line - The basic line of multiuse rigid and articulated hydraulic crawler drilling rigs which are suitable for several types of specialized works, ...

Why Rig Services? Rig Services has been operating for over 20 years and is a highly respected and experienced supplier of Comacchio drill rigs for hire on a ...

The result is the great versatility in the use of these drilling rigs: our fully articulated rigs cover the entire spectrum of geotechnical engineering applications (micropiles, anchors, tie rods, soil ...

Thanks to the experience gained in the field alongside our customers around the world, Comacchio has developed a series of accessories and ancillary ...

The GEO 602 is a compact and powerful drilling rig suitable for many geotechnical works. This rig incorporates a particularly flexible design and can ...
