

Compact drill rigs

The Geoprobe 54LT is a versatile and compact drilling rig, ideal for "Direct Push" soil sampling, augering, mud rotary, and rock coring in tight spaces. Its limited access capabilities and range ...

The CGR-174U is a powerful mini drill rig designed for small drilling job sites. This compact grout casing installation drill rig has an umbilical system that allows ...

Maneuverable compact drill rigs for confined spaces and remote sites. CINTRL's lightweight units handle soil sampling, shallow wells, anchor drilling, and geotechnical surveys. Modular ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ...

The TSi 150CC Sonic Drill Rig is the most powerful sonic rig on a small platform in the world. It brings full Terra Sonic power and innovation to a compact ...

Discover Storm compact drilling equipment featuring an advanced modular design for geological surveys, water well drilling, foundation piling, and more.

The Geoprobe 420M is a compact, limited-access drill rig designed for projects where space is restricted. Despite its small size, this rig is highly capable, ...

A compact, mobile drill rig designed for quick setup and ease of moving site to site. Integrated positioner and turntable enables drilling at all angles.

Commando(TM) DC300Ri drill rig is a hydraulic, self-propelled, compact drilling unit on a four-wheel oscillated drive carrier with full radio remote control. Easily moved from one location to ...

Hutte Bohrtechnik's compact class drill rig HBR 203, with separate power pack, was designed to fulfil clients' need for small drill rigs for large-diameter bores. The drilling rig is especially suited ...

The HR 130 is a powerful, compact drilling rig that does not require disassembly for transporting from job to job. It is able to drill larger diameters with augers ...

Discover our range of compact drilling rigs, engineered for performance and designed for versatility. Our compact rigs are the epitome of adaptability, offering customizable services to ...

Compact drilling rigs weighing between 3 and 8 tonnes, equipped with separate hydraulic power pack (diesel

Compact drill rigs

or electric-powered), designed to operate in low headroom and restricted access ...

KGS Keller Geräte & Service GmbH designs and manufactures a wide range of specialised drilling equipment. This ranges from small compact drilling rigs (KB1) up to large drilling rigs ...

Micropile drilling rigs | Choosing the right drilling rig Many jobs require drilling, for example: Drilling wells: whether it's to access groundwater or oil. Geothermal ...

The Comacchio MC 8D is a compact drill rig with great versatility. This drill boasts 18,000 ft lbs of torque and 14" clamps. It can be also outfitted with a drifter for the installation of hollow bar ...

TMG Manufacturing specializes in the later-compact, powerful drill rigs that are built specifically for soil sampling and testing, including SPT and CPTu, compaction grouting and micropile ...

TMG Manufacturing designs and manufactures drill rigs for the compaction grouting industry. Compaction grouting, micropile and foundation contractors ...

MDR Mini Drill Rigs are produced in Denmark with more than 20 years of experience, and we have recently developed a simple drill rig with mechanical ...

The HR 130 is a powerful, compact drilling rig that does not require disassembly for transporting from job to job. It is able to drill larger diameters with augers and buckets. The rig's particularly ...

The B 15 drilling rig is ideal for drilling at shallow depths, light to medium-heavy soils and well construction. It is available with an integrated flushing pump on ...

When it comes to water well drilling, a small rig doesn't require sacrificing production. With today's technology, small drill rigs provide just as much ...

Welcome to Drillrigy, your trusted source for small water well drilling rigs. We specialize in crafting compact yet powerful drilling solutions that unlock access ...
