

Complete range of accessories for down-the-hole hammer drill rigs

What is a down the hole hammer?

Bits are conditioned by a special manufacturing procedure which establishes a protective cushion on the bits, thus reducing chances of cracking which often occur in hi-impact drilling products. The Down the Hole hammers range varies from 2.5 to 12 inches diameter. The Down the Hole over burden drilling systems ranges from 4 3/4-12 inches diameter.

Which drill hammer is best for deep-hole drilling?

Conquer deep-hole drilling with our hammers that have low air consumption and high rates of productivity. Mincon tooling has earned a reputation as the driller's choice around the world in geothermal hole and water-well drilling. Upgrade to a Mincon DTH hammer and enjoy using the most advanced drill tooling available.

What are the different types of Drill hammers?

The button shapes and grades include Spherical, Ballistic and Parabolic. Bits are conditioned by a special manufacturing procedure which establishes a protective cushion on the bits, thus reducing chances of cracking which often occur in hi-impact drilling products. The Down the Hole hammers range varies from 2.5 to 12 inches diameter.

How big is a down the hole hammer?

The Down the Hole hammers range varies from 2.5 to 12 inches diameter. The Down the Hole over burden drilling systems ranges from 4 3/4-12 inches diameter. DTH Products are field tested to stringent quality requirements to provide consistent performance results in the field.

What DTH drilling tools do you offer?

We offer a complete range of DTH drilling tools including hammers, bits, pipes, adapters, breakout benches and grinding machines with consumables. The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the best products for our customers.

Which drill tool is best for geothermal drilling?

Mincon tooling has earned a reputation as the driller's choice around the world in geothermal hole and water-well drilling. Upgrade to a Mincon DTH hammer and enjoy using the most advanced drill tooling available. We offer tailored drilling solutions for your project needs.

We have seen down-the-hole products being used in different applications all over the world. We can assist, not only with the complete drill string, but also with the knowledge to help our ...

Complete range of accessories for down-the-hole hammer drill rigs

Sandvik intelligent surface drill rigs bring the latest technology to surface mining applications. View our leading range of surface drilling rigs.

Down-the-hole (DTH) drilling has made it easier for contractors to drill wells faster and more efficiently, and to transition from dirt boring to rock ...

The optimum range of hole size for blast hole drilling with DTH is 90 mm to 254 mm (3 1/2"-10"). Smaller blast holes are generally drilled using top-hammer, ...

What Are Down the Hole Hammers? DTH hammers are innovative percussion tools designed for drilling through rock. Unlike traditional top-hammer systems, where energy is lost ...

We have seen down-the-hole products being used in different applications all over the world. We can assist, not only with the complete drill string, but also with ...

RockSmith's DTH Hammer Range RockSmith's Down The Hole Hammers A down-hole hammer is a percussion hammer drill. In this type of hammer the piston applying repeated percussive ...

What is the difference between a top hammer and down the hole hammer? Top hammer drilling applies percussive force from the top of the drill string, transmitting energy through the drill ...

CENTER ROCK manufactures a full line of air rock drilling tools and accessories including our Down-the-Hole (DTH) hammers and bits from 3.5" - 48" (89 ...

We offer a complete range of down-the-hole products including hammers, bits, pipes, adapters and breakout benches. Read more and contact us here!

Hole Products offers a complete line of Reverse Circulation hammer bits, tricones, and pdc's for use in a variety of formations, and under a wide range of drilling parameters.

CENTER ROCK products boast a formidable range of down-the-hole (DTH) hammers, presenting a suite of drills and downhole bits spanning 3.5"- 48" ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

SIMPLY BY CHANGING THE HAMMER In open-pit mines around the world, large down-the-hole drill rigs are working nonstop 24/7. In this context, the new Tundo™ RH650 DTH hammer ...

Powerful and Reliable Down The Hole (DTH) Drilling Solutions Drill King specializes in manufacturing

Complete range of accessories for down-the-hole hammer drill rigs

top-quality drilling equipments and drilling tools, including a wide array of drilling ...

Down-the-hole (DTH) drilling has made it easier for contractors to drill wells faster and more efficiently, and to transition from dirt boring to rock boring just by adding a ...

Discover Mincon's full range of DTH hammers and bits. Engineered for performance, efficiency, and durability in down-the-hole drilling applications ...

A complete range of Mining Equipment including DTH Down the Hole Hammers and Bits, Reverse Circulation Hammers and Bits, Rotary Drilling Tools, Exploration Diamond Drilling Tools, Hand ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

Starockdrill offers a comprehensive range of high-quality DTH drilling tools, including hammers, drill bits, drill pipes, back hammers, and drill rod adapters.

We employ advanced drilling methods such as Down The Hole (DTH), Rotary, Diamond Core, and Hydraulic Top Hammer. Our versatile rigs excel in various applications, including diamond ...

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the ...

About Drill Tech International Drill Tech International is professional organisation founded in 2015 offers complete drilling systems and solutions for construction, Industrial, mining and quarrying ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Use a proper assembly stand to avoid the falling-over or rolling-over of either the hammer or its parts. Always use tongs with jaws that place a uniform load on the outside diameter of the ...
