

## Coretech drill rigs

Established in 2005, Cortech Drilling Equipment Co., Ltd is a private high-tech enterprise specialized in developing and manufacturing all-hydraulic diamond drilling rigs. By join

CSD1300G drilling rig is a track mounted diamond core drilling rig. The CSD1300G is an upgraded version of CSD1300L. Both models have the same capacity of NS 1000m.

Coretech YDX3 diamond core drill rig (Ref No 5694) used Coretech YDX3 diamond core drill rig 2011 build Cummins 6BTA 5.9 turbo diesel engine 3.5m stroke Chuck rotation unit 4 speed 0 ...

RC 5000 Explorer Plus Drilling Angle : 45° to 90° | Pull back : 23,5 T | 752 meters with 4" rods | 626 meters with 4.5" rods Compressors, Boosters, Trucks, Vehicles, Light towers, ... we have ...

Drilling Insights Drilling operations are the backbone of any energy extraction project, whether onshore or offshore. The complexity of these operations requires precision, extensive ...

Low ground pressure steel crawler tracks with bolt on rubber pads (for working / walking on sealed surfaces without pavement damage). Remotely operated track control via electric over ...

CORTECH HELI AND TRACKED CSD1300 DRILLING RIGS Rig Highlights CSD1300 Drilling Rig available as either tracked rig or heli- portable A spare chassis is supplied, and it can be ...

CSD3000 core drilling rig is specially designed for diamond core drilling. Robust structure plus strong power supply ensures high penetration rate and outstanding reliability.

Within only 5 years of development, Cortech has become the true market leader in hydraulic core drilling rig products provider in China. The company ultimately delivers reliability, productivity, ...

Cortech is the leading provider of drilling products and mineral exploration drilling services in China today. The company is the only integrated drilling services and product provider, ...

Drill rig manufacturer, drilling rig manufacturer, drilling rig supplier, hydraulic rig, Cortech drilling rig, drill rig manufacturer in China, diamond core drilling rig, Cortech diamond rig, man portable ...

6 CORTECH Drills available now! Find new & used CORTECH Drills for sale near you from top models CSD1300G, CSD1300L, CSD3000, and more at MachineryTrader .

Make: Cortech Model: CSD1300L CSD1300L core drilling rig is specially designed for diamond core drilling.

## Coretech drill rigs

Track crawler mounted rig facilitates moving around with great convenience. ...

Cortech Drilling Equipment Co., Ltd. was established in 2005 and has since positioned itself as a high-tech enterprise specializing in the development and manufacturing of all-hydraulic ...

From advanced drilling rigs to real-time data monitoring, we leverage technology to provide innovative solutions that optimize every phase of the drilling ...

Established in 2005, CORTECH Drilling Equipment Co., Ltd is a private high-tech enterprise specialized in developing and manufacturing all-hydraulic diamond drilling rigs. Combining ...

The CSD1800 is a track crawler mounted core drilling rig designed for diamond core drilling down to 1800m. It has a 117mm chuck diameter that can handle ...

CSD3000 Diamond Drill Rig CSD3000 core drilling rig is specially designed for diamond core drilling. It provides precise control on the drilling capacity. The drill head is designed to slide ...

This long-term investment plan will enable us to offer our customers greater performance and quality. Our fleet is composed of a range of rigs and equipment from the best suppliers on the ...

CSD1300L core drilling rig is specially designed for diamond core drilling. Track crawler mounted rig facilitates moving around with great convenience. Robust structure plus ...

Cortech Drilling Equipment Co., Ltd. has achieved a remarkable milestone by setting a new sales record in the global drill rig market. This achievement underscores the company's unwavering ...

The Coretech CRA1000A is designed for multi purpose drilling, high capacity & heavy duty drilling for diamond core or RC drilling modes. Rated at B - 3,000m N - 2,400m H - 1,600m P - 1,100m ...

Our Innovative Services At Coretech Drilling, we offer a wide range of drilling services to meet the diverse needs of our clients. Our expertise spans both onshore and offshore drilling projects, ...

From valves and pumps to drilling equipment and pipeline components, we specialize in producing intricate and high-performance parts that can withstand the challenging conditions ...
