

Crawler DTH Drilling Rig Chassis with Lifting Belt

Product Description Crawler Dth Rotary Drill Rig Chassis Drilling Hydraulic Drig Water Well Drilling Machine YG-FY series crawler mounted water well drill machine is a kind of light ...

The integrated DTH drilling rig offers the experience of automation and high drilling efficiency. With a FOSP-certified cabin, an automatic rod changer and heavy-duty undercarriage with ...

Home » Products » Drill Rigs and Rock Drills »KJ421 Underground Mining Drill Rigs and Tunneling Jumbo Get Operation Manual KJ421 Underground Mining Drill Rigs and Tunneling ...

KG430/KG430H open-pit down-the-hole drilling rig adopts a folded track frame and engineering four-wheel belt, and adds track leveling and plunger travel ...

Customized 3 Ton Rubber Crawler Track Chassis Undercarriage for DTH Anchor Drilling Rigs, Find Details and Price about Rubber Track Crawler Drill from Customized 3 Ton Rubber ...

SL500S crawler mounted water well drilling This drilling rig is equippes with a hydraulic system for lifting the drilling frame,picking up and unloading the drill ...

CM458 internal combustion (CM458D Electric) crawler mounted versatile anchor rig adopts diesel engine and hydraulic oil pump assemblies to provide power, ...

Home » Products » Drill Rigs and Rock Drills »KM311 Underground Mining Bolting rig Get Operation Manual KM311 hydraulic rock bolting rig is specially designed for the construction of ...

Kaishan 25m DTH Blasting Hole Drilling Rig Machine KG590 With Crawler for Sale KG590/KG590H open-pit DTH drilling rig is a new equipment upgraded ...

High Performance KG430 Crawler Blasting Drill Machine Rock Drilling Rig for Mining Kaishan KG430 25m blasting ground hole Quarry Rock DTH Mining ...

YG-FY series crawler mounted water well drill machine is a kind of light-weight, high-efficiency, and multi-function drilling rig which is mainly suitable for drilling wells, agricultural irrigation ...

High quality 400m Full Hydraulic Borehole Drilling Rig With Crawler Chassis from China, China's leading product market Hydraulic Borehole Drilling Rig product, ...

Crawler DTH Drilling Rig Chassis with Lifting Belt

At present, three types of DTH Drilling Rigs, large, medium, and small, are widely used in the market. High, medium, and low wind pressure, track tread, rubber tread mode; ...

GL726 crawler down-the-hole drill carriage is mainly used for drilling blast holes in open-pit projects such as mining and quarrying, road construction, water ...

JK730 Automatic Crawler Mounted DTH Drilling Rig features its lower operation cost and humanized design. It adopts a powerful diesel engine and hydraulic oil pump station ...

High quality JCDRILL Crawler DTH Drilling Rig with Diesel Hydraulic System for Surface Blasting and Borehole Construction from China, China's leading product market Rock Drilling Rig ...

This water drilling rig is mainly used for irrigation well drilling, home water well drilling, geothermal good drilling, hydrology wells drilling, civil use water well drilling, industry well drilling, etc ...

Find verified Customized 3 Ton Rubber Crawler Track Chassis Undercarriage for DTH Anchor Drilling Rigs suppliers and manufacturers offering competitive wholesale prices. Browse ...

High quality Hydraulic Rotary Crawler DTH Drilling Machine Diesel Power 50m Deep Mining Drilling Rig from China, China's leading product market Diesel Power DTH Drilling Machine ...

The HQZ-180L Pneumatic DTH Crawler Water Well Drilling Rig is a robust and versatile machine designed for efficient drilling operations. This water hole ...

This product can be widely used in rock drilling operations in various projects such as open-pit mining, construction foundation excavation, water conservancy, power station ...

Customized 3 Ton Rubber Crawler Track Chassis Undercarriage for DTH Anchor Drilling Rigs, Find Details and Price about Rubber Track Crawler Drill from ...

Customized 4 Ton Rubber Crawler Track Chassis Undercarriage for DTH Anchor Drilling Rigs, Find Details and Price about Manufacture Track Undercarriage from Customized 4 Ton Rubber ...

It integrates a DTH drilling system with a screw air compression system, powered by a Yuchai six-cylinder engine. Compact in structure with excellent integrity and mobility, this rig delivers ...

The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ergonomic cab. It integrates a DTH drilling system with a screw air ...

GL800S crawler-type multi-function water well drilling rig is a new type, high-efficiency and multi-functional

Crawler DTH Drilling Rig Chassis with Lifting Belt

hydraulic water well drilling rig, which is mainly used for drilling water wells, ...

This drilling rig adopts air DTH drilling and mud pump circulation drilling process. it is optional items to install mud pumps, foam pumps, and generators into the drilling machine chassis

Crawler type full hydraulic directional drilling rig for coal mine is mainly used for the construction of various engineering directional drilling, such as underground gas drainage (drainage), purple ...

The chassis height is 480mm. There are many rocks in the mine, and YG DTH drilling rigs can easily cross-country (most of the foundation pit customers ...
