

Crawler anchor drilling rig

YTA series crawler anchor drill rig is suitable for the construction of rock bolt, anchor rope, geological drilling, grouting reinforcement and underground ...

AK180 crawler anchoring drilling rig, horizontal dust removal and slope protection drilling rig is a high-efficiency and multi-functional drilling rig independently developed by the company. The ...

Crawler slope protection drilling rig and crawler anchor drilling rig are high-efficiency, energy-saving, time-saving and labor-saving drilling rigs developed according to the needs of slope ...

Our Crawler Anchor Drilling Rig is lightweight yet incredibly reliable, making it ideal for various drilling applications. Trusted by manufacturers and suppliers, this rig offers exceptional ...

Find the ideal anchor drilling rig with high lifting performance and great pricing. Suitable for complex terrain and construction site. Click!

Crawler slope protection drilling rig and crawler anchor drilling rig are high-efficiency, energy-saving, time-saving and labor-saving drilling rigs developed ...

The crawler anchor drilling rig is an advanced and efficient hydraulic drilling equipment that has been independently developed and manufactured by our company. It represents a new ...

D Series Anchor Drilling Rig The main parts of D series anchor drill machine adopt our company's latest technology. We will equip it with crawler chassis and holding shackle, design new ...

Anchor drilling rig is widely used in hydropower station, railroad, highway slope reinforcement, landslide management and other projects, especially for high slope rock anchoring projects. ...

China Anchor drilling rig catalog of 10-80m Drilling Depth Hydraulic Anchor Drilling Machine, DTH Deep Foundation Pit Support Anchoring Tunnel Boring Drilling Machine provided by China ...

CM458 internal combustion (CM458D Electric) crawler mounted versatile anchor rig adopts diesel engine and hydraulic oil pump assemblies to provide power, ...

Product Profile YGL-180G is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for ...

Crawler Anchor Drilling Rig, Type MGY-135L Crawler anchor drilling rig, type MGY-135L is a hydraulic

Crawler anchor drilling rig

gyrator anchoring engineering rig. It is suitable for ...

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

Product Features CM458 internal combustion (CM458D Electric) crawler mounted versatile anchor rig adopts diesel engine and hydraulic oil pump assemblies to provide power, allowing ...

Crawler Anchor Drilling Rig, Type MGY-135L Crawler anchor drilling rig, type MGY-135L is a hydraulic gyrator anchoring engineering rig. It is suitable for anchoring projects in foundation ...

Caldera Machinery specialises in the rental and sale of heavy machinery in the foundation construction industry. Our product coverage consists of bored pile and anchoring machinery, ...

The HW-135D crawler high-lift anchor drilling rig is a highly efficient drilling rig that has been purposefully designed for a wide range of applications, including subway construction, high ...

YG crawler anchor drill machine is a small simple anchor drilling rig. It is suitable for the implementation of urban deep foundation pit support, and anti-floating anchor rods.

The anchor drilling rig is mainly used in landslide and dangerous rock mass anchoring projects to prevent and control various geological disasters of hydropower stations, ...

AK180 crawler anchoring drilling rig, horizontal dust removal and slope protection drilling rig is a high-efficiency and multi-functional drilling rig independently ...

SA-150Q Hydraulic Multi-functional Anchor Drilling Rig could achieve various drilling method, good performance for complex geological conditions, suitable ...

Anchor drilling rigs are heavy equipment specially used for drilling and anchoring operations in geotechnical engineering and are widely used in building foundation reinforcement, slope ...

The industry-trusted source for Drilling Equipment, Drill Rigs, Anchoring & Crawler Rigs, Piling Tools, Consumables and Parts, Drill Services and Consulting to ...

China Quality Anchor Drilling Rig & Hydraulic Crawler Drilling Rig supplier and Good price Anchor Drilling Rig for sale online.

We provide Anchor Drilling Rig, which is a rotary drilling rig that uses anchor systems to suspend the drilling string and derrick from the mast or equivalent structure, in order to create a drilling ...

Crawler anchor drilling rig

Hole Diameter: 90-219 mm Hole depth: 0-70 m Drilling Method: Air Drilling & Mud Drilling &&>>>
Application AK180 crawler anchoring drilling rig, horizontal dust removal and slope protection ...

Crawler anchor drilling rig, construct-optimized, self-moveable, easily to install& uninstall the drilling tools and comprehensive anchoring job ability.

Crawler Anchor Drilling Rig 6 Features: The crawler anchor drilling rig is compact, energy-efficient, low-noise, and environmentally friendly. The machine adopts ...

into different drilling positions mast. This easily fully and hydraulic crawler drill is quickly, even in confined built job to be site. sturdy, With simple and reliable, and the heavy duty high pullback ...

Applications The crawler anchor drill rig is mainly applied to hydropower station, railway, large tonnage of prestressed bolt holes and drain construction on highway slope, as well as the ...

A crawler drill is a machine used at lime mines, quarries, for civil engineering work and construction sites for making holes in rocks for setting explosives or ...
