

Crawler jet grouting drilling rig for sale

What are MDR's jet grouting rigs?

MDR provides high-performance and advanced technological hydraulic drilling rigs for jet grouting. The drilling rigs represent the best technological solution, combining years of geotechnical experience and a continuous research in the drilling field that developed efficient Jet Grouting techniques for soil stabilizations.

What are the different types of grouting equipment?

High-pressure jet grouting rigs, core drilling rigs, anchor drilling rigs, and environmental drill rigs are our featured products with advanced technology, and other grouting equipment such as grouting pumps, and auto grout mixing stations are low energy consumption... Very good, I am very satisfied !

What is jet grouting?

Jet Grouting techniques are employed in a wide range of cases such as underpinning of existing structures, diaphragm walls, diaphragm walls gaps repairing, structural and waterproof bottom plugs, tunnel consolidation, slope consolidations (i.e. installation of strand anchors, self-drilling rebars), launch and arrival shafts for TBM.

Jet Grouting Drilling Rig for sale, Quality XPL-30A Jet Grouting Drilling Rig Exploration Drilling, Crawler Drilling Rigs on sale of Jiangsu Wuxi Mineral Exploration Machinery General Factory ...

We are Jet Grouting Drilling Rig manufacturer & provide Multi-purpose Crawler Jet Grouting Pneumatic Rock Rig for Sale - Shannxi Xitan Geological Equipment Co.,Ltd.

You are warmly welcome to purchase crawler elevated jet grouting drilling rigs from our factory. Our products are CE certified and currently have a large number of factory stocks.

The Crawler Drill Rig for Jet-grouting is suitable for DG multi-tube rotary grouting construction with a drill diameter of 142mm or less. It can show mud volume, ...

The XiTan Crawler-Mounted Wells Track Jet Grouting Drilling Rig Machine for Slope Protection is suitable for DG multi-tube rotary grouting construction with a drill diameter of 142mm or less. A ...

The Jet Grouting Drilling Rig Machine with Crawler for Exploration is suitable for DG multi-tube rotary grouting construction with a drill diameter of 142mm or less. It can show mud volume, ...

High quality Multi-purpose Crawler Jet Grouting Pneumatic Rock Rig for Sale from China, China's leading Jet Grouting Drilling Rig product, with strict quality control Jet Grouting Drilling Rig ...

Crawler jet grouting drilling rig for sale

SA-180A crawler-type full hydraulic multifunctional engineering drilling rig is a multifunctional engineering drilling rig integrating rotary jetting, anchoring, and anti-floating anchor ...

The Double Pipes Crawler Drilling Rig Machine for Jet Grouting is suitable for DG multi-tube rotary grouting construction with a drill diameter of 142mm or less. A load-sensitive hydraulic ...

XL-3 crawler-type full-hydraulic multifunction construction drillingrig is suitable for different requirements such as high-pressure jet grouting, jet grouting anchor cable, rock bolt ...

Jet Grouting Drilling Rig for sale, Quality DGZ-150L Crawler High Pressure Ground Jet Grouting Drilling Rig on sale of Shannxi Xitan Geological Equipement Co.,Ltd from China.

Crawler Anchor Drilling Rig Water Well Drilling The crawler drill rig is mainly applied to urban subway, high-rise buildings, airport, ground source heat pump and other deep foundation pit ...

Provide jet grouting drilling rig with stronger torque for wide range of construction. Can work on various stratum layer. Convenient and easy to operate.

50m 500mm 600mm Piles Crawler Jet Grouting Drilling Rig Jet Grouting Drilling Rig is a full hydraulic rotary anchor type drilling rig, Mainly suitable for urban ...

Huette equipment provides high-performance hydraulic drilling rigs and advanced technology for soil investigation, geo drilling and Jet Grouting techniques.

Contact our industry experts today for more information on the best jet grouting rig or jet grouting pump to suit you with your ongoing or future construction project.

High quality 110mm-400mm Electric Motor Diesel Engine Powered Crawler Type Construction Drilling Rig from China, China's leading 110mm Jet Grouting Drilling Rig product, with strict ...

Jet Grouting Drilling Rig is a full hydraulic rotary anchor type drilling rig, Mainly suitable for urban foundation pit support and construction control of displacement geological disasters and other ...

Our crawler drills, built on 60 years of expertise and innovation, offer unmatched versatility and reliability. Compact and powerful, they handle anchoring, micro ...

In addition to general rotary jet (swing jet, fixed jet) construction, the RJP-65 crawler-type jet grouting drilling rig can also be used for anchor rod and root ...

View the latest used piling & drilling rigs, tunneling machines, geothermal drill rigs, grouting plants and crawler cranes from Casagrande UK

Crawler jet grouting drilling rig for sale

1. Drilling Depth 100 m Crawler Type Multi-pipe Jet Grouting Drilling Rig for Special-Shaped Grouted in Russia for Sale issuitable for the construction of multi-pipe rotary jetting method ...

Find jet grouting drilling machine from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

GL-4000 full hydraulic crawler jet grouting anchor DTH drilling rig is a kind of multifunctional drilling rig designed and manufactured for jet grouting operation, DTH drilling and anchor rod ...

Crawler Jet Grouting Construction Drilling Rig Equipment For Railway Highway Bridge Foundation 50 M, Find Complete Details about Crawler Jet Grouting Construction Drilling Rig Equipment ...

Search for used jet grouting drilling rig. Find HengWang, Soilmec, Casagrande, Mait, Klemm, and Comacchio for sale on Machinio.

Jet Grouting Drilling Rig SA-180A For Soft Foundation Reinforcement SA-180A crawler-type full hydraulic multifunctional high pressure rotary jet grouting ...

If you are looking for China powered mixers, drilling rig, drill machine, drilling equipment, jet grouting machine with patented technologies and high quality powered mixers for sale in ...

1. 100m Depth Hydraulic Jet Grouting Ground Drilling Rig for Sale is suitable for single, double, and triple pipe rotary jet, swing jet, fixed jet, and other work ...

XL-3 crawler-type full-hydraulic multifunction Construction drilling rig is suitable for different requirements such as high-pressure jet grouting, jet grouting anchor cable, rock bolt ...

Equipped with crawler chassis and support oil cylinder, the crawler jet grouting drilling rig is easy to displace and position. It is stable and reliable when drilling.
