

Crawler type slope protection down-the-hole drill rig

YGL-150Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

Basic Info. Certification CE, ISO 9001:2008 Condition New Motor Diesel Engine Drill Hole Diameter 90-152mm, 64-115mm, 90-115mm Drill Hole Depth Mine 25m, Water Well 180-500m ...

Type High lift DTH drilling rig Power Type Diesel Use Slope rockfall projects Drilling Diameter 100mm, 0-300mm Drilling Depth Max.40m Place of Origin Hubei, China Weight 16000 KG ...

3. Flexible rotation of multiple parts, suitable for working on complex terrain on high slopes 4. The output torque of the hydraulic power head is large, with strong drilling ability and a wide range ...

Air capacity is the most important factor affecting down-the-hole performance. The engine and compressor in a SmartROC drill rig are controlled by an intelligent system which delivers more ...

China Jinzhou City Shitan Machinery Equipment CO. LTD. latest company news about Shitan Machinery New slope protection down the hole drilling rig.

The down-the-hole drilling machine is suitable for large-diameter blast hole rock drilling operations in small and medium-sized mines, road construction, water ...

Integrated open air down the hole drilling vehicle High wind pressure blasting hole drilling rig Crawler down the hole drilling rig Rock slope protection

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

High Lift Mountain Slope Anchor Drilling Rig||High Lift Drills For Sale?Want Price??Leave your needs and WhatsApp/WeChat/Email, and we will send it to you.?W...

About crawler drilling rig for slope protection Mine drilling rigs are one of the critical components of mining machinery designed to drill holes into the earth for various reasons from exploration, ...

Crawler Type Down Hole Drilling Rig, Mining Rock Drilling, Pneumatic Slope Protection, Photovoltaic Pile Driver, Find Details and Price about Walking ...

Crawler type slope protection down-the-hole drill rig

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

Anchor drilling machine (Anchor drilling machine) is a kind of high efficient drilling equipment used for foundation reinforcement, slope stabilization and tunnel support, which is specially ...

Height 12m Crawler Mounted Slope Anchor Slope Protection Drilling Rig, Find Details and Price about Drilling Rig Price Drilling Machine from Height 12m ...

Basic Setting The pressure of all the company's drill rigs has been set before leaving the factory: YGL type low-pressure crawler DTH drilling machine: left ...

Crawler drilling rigs | Choosing the right drilling rig There are two main types of drilling rigs: autonomous crawlers and truck or trailer-mounted. You will need ...

Rotary organizations to adopt a new dual-motor turret to make it to the open-air blast drilling operations when drilling large holes to maintain a strong rotary torque output, dragging air ...

TAIYE-D6-DTH Full Hydraulic Crawler Mounted Large Diameter Blast Hole Surface Down-the-Hole Drill Rig TAIYE-D6-DTH is a high-efficiency integrated ...

The open-pit crawler DTH drilling rig is a kind of rock drill. It is a new type of self-propelled rock drilling equipment carefully designed according to the ...

The crawler DTH drilling rig innovatively integrates the crawler walking mechanism and the down-the-hole impactor. The crawler is made of high-strength rubber material, which can move ...

Our drills allow our customers to install all types of anchors from rock bolts to cable strand anchors, as well as drain holes for slope stabilization, mining, ...

Epiroc GIA full hydraulic down-the-hole drilling rig, adhering to ATLAS Group's leading technology, has high reliability and high drilling quality. It integrates down-the-hole drilling rigs ...

This RCQ-H15 slope protection anchor drilling rig is mainly suitable for: construction, water conservancy, exploration, deep foundation pit support, ...

The power system can be equipped with electric motor or diesel engine according to the user's order. The HFA-500 crawler mounted drill rig is compared with the same type of drilling rig with ...

The drilling rig is equipped with the crawler leveling function, which makes the center of gravity of the

Crawler type slope protection down-the-hole drill rig

drilling rig more stable up and down the slope, and the ...

The GT300 Rotary Rig is a track based mobile platform designed for undertaking dynamic sampling and rotary drilling on extreme slopes such as dams or motorway and railway ...
