

Fast fuel filling system Cold weather kit +5°C to -25°C, including diesel engine heater Cold weather kit -25°C and below, including diesel engine heater and ether start ProCom satellite ...

The FlexiROC D65 surface drill rig from Epiroc is the perfect balance between productivity and efficiency. A proven and dependable rig for DTH drilling in ...

With a robust, rugged build, the FlexiROC D65 offers superior operational efficiency, ensuring fast and precise drilling results. Its advanced technology ...

SmartROC D65 DTH surface drill rig for quarrying and mining Intelligent, automated and future-proof Improved fuel consumption Efficient, productive and consistent Contact us

The Epiroc SmartROC D65 XLF is a cutting-edge surface drill rig designed for quarrying and mining applications, offering enhanced efficiency and productivity.

The SmartROC D65 is a DTH surface drill rig best suited for contour, presplit and production drilling tasks within Australian mining industry. The new generation SmartROC D65 ...

SmartROC D65 DTH surface drill rig for quarrying and mining SmartROC D65 hole diameter: 110-229 mm (4.3-9") Intelligent, Discover more about the ...

The FlexiROC D60 and D65 are available with both standard or long feeds and are capable of working at a wide range of drilling angles. Both rigs are ready for work in any almost any ...

It carries 8 meter rods with a diameter of 89, 102, 114, 127 or 140 mm. The feed can also be easily adapted to take 6 meter rods if required. The XLF option means that the rig spends less time ...

065short .Halogen canopy Idweather kit_250Cand feed) work light pointing to below, including diesel engine .Servicewinch with jibboom feed support, transport position heater andether ...

SmartROC D65 DTH surface drill rig for quarrying and mining Intelligent, automated and future-proof Improved fuel consumption Efficient, productive and consistent Give your operation the ...

The Epiroc FlexiROC D65 Drilling Rig sets a new benchmark in productivity and efficiency for DTH drilling in mining and large quarry applications. Designed to ...

This document provides operation instructions for the SMARTROC D65 T3 rock drill. It includes sections on

D65 drill rig specs

reference materials, general descriptions of the ...

The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the added intelligence of this market-leading drill rig.

The FlexiROC D65 is a top-tier surface drill rig engineered for high efficiency drilling in large scale mining and quarrying operations. Designed for down the hole DTH drilling, it supports hole ...

Atlas Copco Surface drill rigs SmartROC D65 Technical specification The mining mastermind. Brilliant and built to last. o Supports you ambitions in the total ...

The FlexiROC D60 and D65 represent the broadest and most versatile product offering, making it the total drilling solution, outperforming in various applications such as: production, pre ...

The FlexiROC D65 surface drill rig from Epiroc is the perfect balance between productivity and efficiency. A proven and dependable rig for DTH drilling in mining and large quarry ...

FlexiROC D65 Surface drill rig for aggregate and limestone quarries, surface mining and construction Maximizes your productivity and efficiency due to optimum DTH performance ...

The new efficient SmartROC D65 All these features and flexibility are consistently delivers high-quality blast packed in a rig which is economical holes with accuracy and precision. to run due ...

The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the added ...
