

De880 drill rig

What is a Sandvik de880 drill rig?

Our Sandvik DE880 is a multipurpose drill rig that has an increased depth capacity in diamond drilling. Adaptable and strong, it can be configured to fit various transport applications like truck or crawler mounted and jack up styles.

What is a de880 drill rig?

The DE880 is for customers who prioritize deep-hole productivity gains that come from optimum drilling performance at depth and pulling rods in 9 m (30 ft) sections. DE880 multi-purpose drill rig for surface applications. *Calculations are based on machine capacity, which in some cases may exceed the rated hole depth of the down hole tooling.

Which drill rig has the greatest depth capacity?

It has the greatest depth capacity when core drilling due to its large main winch and wireline winch. The DE880 is for customers who prioritize deep-hole productivity gains that come from optimum drilling performance at depth and pulling rods in 9 m (30 ft) sections. DE880 multi-purpose drill rig for surface applications.

What are the safety measures of a drill rig?

Safety Measures: Diamond rod make/break spinner; Winch over-wind protection; Interlocked personnel guarding system; Fire suppression. Capabilities: Mineral exploration - core drilling, RC drilling, rotary air or mud drilling, directional drilling and geotechnical drilling, Containerised International Shipping.

What equipment do you need for a Sandvik RC rig?

Onboard: Compressor Sullair 1350cfm/350psi, Booster Ariel 1250cfm/750psi, Sandvik Rod Loader, 216m x 4" RC pipe. Capabilities: Mineral exploration - core drilling, RC drilling, rotary air or mud drilling, directional drilling and geotechnical drilling.

What is a drill rig?

Larger than typical hoses and control valve sizes used. The drill rig is designed for 1400 psi water pressure. Mast ladder and fall arrest system included. Incorporates dual point mast pivot frame, mast dump, mast jack to provide ground level contact from 90°; to 45°; drilling angle.

Sandvik DE-880 drill rigs were purchased under the "SUEK-Kuzbass Mines Methane Degassing" investment project. Each rig costs over 180 mln rubles. A drilling plan per ...

Our Sandvik DE880 is a multipurpose drill rig that has an increased depth capacity in diamond drilling. Adaptable and strong, it can be configured to fit various transport applications like ...

De880 drill rig

Drill Rig - 2011 Sandvik DE880-88 - 2912hrs (approx.) - Rig is currently set up for diamond drilling - Rod handler is set up for 4 ½" RC pipe For more information and photos, please contact ...

Fleet, expertise and experience to suit your project needs, all with safety in mind. Our EDM hands-free rod feeder as standard on all surface operations.

Description: 2011 Sandvik DE880 Drill Rig Mounted on 2010 Mercedes Benz Actros 4144 8x8 Truck (\$1,800,000 ex GST) (sale-ehub4182) Drill Rig Make: Sandvik M...

Looking for a horizontal directional drill? Universal HDD offers a wide range of custom-built directional rigs to fit any application or job requirements. Our rigs feature top leading ...

Our Sandvik DE880 heavy-duty, multi-purpose exploration drill rig is the industry benchmark for performance, and offers more depth capacity in diamond drilling.

Sandvik intelligent surface drill rigs bring the latest technology to surface mining applications. View our leading range of surface drilling rigs.

Drill Rig Make: Sandvik Model: DE880 Year: 2011 Hours Showing: 3,363 (Engine and Pump Group Replaced in 2023) Overall Hours: 24,820 Truck Make: Mercedes Benz Model: Actros ...

Description: 2011 Sandvik DE880 Drill Rig Mounted on 2010 Mercedes Benz Actros 4144 8x8 Truck (\$1,800,000 ex GST) (sale-ehub4182) Drill Rig Make: ...

Home Sandvik Spare Parts List 605 - sandvik de880 drill rig Sandvik Spare Parts List 605 - sandvik de880 drill rig Monday June 12, 2023 Comments 0

Avoiding undersized holes A customer manufacturing slewing rings for the wind power industry tried the new and improved tool body for CoroDrill 880, five times the drill diameter. With the ...

Drill Rig - 2011 Sandvik DE880-88 - 2912hrs (approx.) - Rig is currently set up for diamond drilling - Rod handler is set up for 4 ½" RC pipe For more information ...

Reliable, modern fleet equipment Zenex Drilling maintains a comprehensive fleet of equipment to suit exploration and mining drilling projects in remote and very ...

The DE880 is the most powerful drill rig within the Sandvik range of exploration drill rigs. It has the greatest depth capacity when core drilling due to its large main winch and wireline winch.

Extreme performance At Sandvik, we have worked with drilling solutions for more than 50 years and learnt a thing or two along the way. Our Ranger™ DX series surface top hammer drill ...

De880 drill rig

2006 SANDVIK UDR1200 For Sale in Brisbane, Queensland at MachineryTrader . 2006 UDR1200HC (DE880) Drill Rig Mounted on 1995 MAN F90 Truck (\$450,000 ex GST) (sale ...

EQUIPMENT Diamond / Multi-purpose Drill Rigs As a full service provider to the resource, water well and geotechnical drilling industries, FORACO provides a ...

Based in Perth, DDH1 commenced operations in July 2006 with one drill rig. Today, just sixteen years later, it is Australia's largest drilling contractor.
