

Down-the-hole drill rig accessories free shipping

Does drilling supply store sell drilling rigs?

With Drilling Supply Store, buying drilling tools has never been easier. We offer a complete line of drilling rigs for mineral exploration (RC drilling and coring), water well and geothermal drilling, foundations and other construction or mining applications. FIND OUT MORE ABOUT OUR DRILLING RIGS. © 2022 Drilling Supply Store. All Rights Reserved.

What DTH drilling tools do you offer?

We offer a complete range of DTH drilling tools including hammers, bits, pipes, adapters, breakout benches and grinding machines with consumables. The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the best products for our customers.

What drilling tools does Drill King offer?

Drill King is able to offer a comprehensive range of DTH rock drilling tools and drilling equipment for any tough environment providing a cost-effective drilling solution. Our range includes various drilling bits types, each designed for specific drilling needs and conditions. Join us in Conventional Center, Las Vegas, Nevada, 2024 in Booth #657

What is a drilling tools shipping basket?

Drilling Tools International offers a variety of shipping baskets for transporting tools to and from the rig site locations. Baskets are selected based on whether the tools are shipping to a land or offshore installation. Drilling Tools ensures all applicable safe handling codes and design criteria are met for each job requirement.

What materials are used to make downhole tools?

All downhole tools are manufactured with either 4145 heat treated alloy steel or premium stainless steel (non-magnetic) materials in accordance with API specifications to ensure high quality products for every application.

What bits does Powerco supply for DTH rigs?

Powerco supplies all kinds of bits for DTH rigs brands: Atlas Copco's COP32 34 44 54 64 84 Ingersoll-Rand's DHD3.5, DHD3.5HD, DHD 340A, DHD350R, DHD 360, DHD380 QL40, QL50, QL60, QL80 and many more... Diameter: 30-50mm.

Down-the-hole (DTH) drilling is a method used to drill boreholes in hard rock formations for various applications such as mining, construction, and quarrying. This technique involves a ...

Looking for a reliable and affordable down the hole drilling machine? YG Machinery offers complete DTH
