How do I complete the junkyard collector in mechagon?

To complete the Junkyard Collector, you must complete 100 construction projects in Mechagon. This Guide covers what Construction Projects are. When you know how it works, the fastest way to reach 100 construction projects is to run around and activate the Flame Turrets whenever you see them. Because these cost only 100 Spare Parts.

How do you spawn a drill rig rare?

Drill Rig rares require the event Drill Rig to be active. You can build a drill in the marked locations which you have to protect for about a minute. After protecting it the cave opens and you can kill the rare in question. Special rares all have some specific conditions that need to be met for them to spawn.
