How do you spawn a drill rig rare?

Drill Rig rares require the event Drill Rig to be active. You can build a drill in the marked locations which you have to protect for about a minute. After protecting it the cave opens and you can kill the rare in question. Special rares all have some specific conditions that need to be met for them to spawn.

How long does it take a CC rig to spawn?

After completing a CC Rig, another one will spawn in 30 minutes. After used the Drill Rig will start drilling for one minute. After the minute is up the drilled cave entrance will open and stay that way for 5 minutes. You can kill the npcs in the caves for these 5 minutes after which you are simply teleported out and the entrance will cave-in.
