

Drill rigs and rock drills

Our Pneumatic Rock Drills Dominate The Air Rock Drill Market. Air Rock Drills Are Well Built, Durable And Powerful For Exploration Drilling. Get A Quote.

In the industrial world, drilling rigs are essential tools that support various drilling activities. Whether for mining, construction, or geotechnical applications, ...

WORD Rock Drills specializes in the manufacture, assembly, sale and distribution of rock drilling attachments and systems as well as stand alone wagon drills. Call us today at 336-584-6700 ...

WORD Rock Drills specializes in the manufacture, assembly, sale and distribution of rock drilling attachments and systems as well as stand alone wagon drills. ...

Trailer mounted water well drilling rig SLY410 is a movable, efficient and multi-purpose rock drilling equipment. Depending on different geological conditions, it has rotary drilling mode and ...

Specializing in building drill rigs and drilling equipment, Aqua Rock is committed to manufacturing drills that suit specific needs with high quality, low ...

Underground Rock Drills Our range of surface rock drills is ready to tackle any job: horizontal or vertical, light or heavy. Our light pneumatic rock drill can drill up to 2 m deep whereas the ...

Drill Rigs Building on the solid legacy of proven designs, today's Cat#174; Rotary Blasthole Drills offers substantial technology, efficiency and productivity improvements to efficiently reach your ...

Surface Rock Drills Make every liter of air count. Every pneumatic underground rock drill combines lightweight, high torque, and high impact energy. Use ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Epiroc's Simba long-hole drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground ...

Discover our product line including face drill rigs, hydraulic rock bolting rigs, in-the-hole longhole drilling rigs, hydraulic scaling rigs, hydraulic longhole drilling rigs, rotary blasthole drilling rigs, ...

We engineer an extensive range of underground drill rigs for mining development and production. Available

Drill rigs and rock drills

in a variety of feed lengths, boom configurations and size classes, our underground ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

Discover our product line including face drill rigs, hydraulic rock bolting rigs, in-the-hole longhole drilling rigs, hydraulic scaling rigs, hydraulic longhole drilling ...

We supply drilling equipment and rock drill supplies for mining and construction projects in the USA and Canada. Get a free quote on drilling tools.

Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and ...

OVERVIEW Featuring our advanced drilling system, Soosan Crawler Drills are robust deliver high penetration rate and efficient, reliable performance for hard ...

We supply equipment to perform rockfall protection, slope stabilization, remote access drilling, rock bolting, shotcreteing, DTH drilling, top hammer drills, blast hole drills for quarries and ...

Low Profile Drill Rigs Low profile drill rigs are mining drills that are built at a low elevation so they can enter more confined spaces that regular drills cannot ...

We supply equipment to perform rockfall protection, slope stabilization, remote access drilling, rock bolting, shotcreteing, DTH drilling, top hammer drills, blast ...

Get the most from your underground drill rig machines with Komatsu fixed and telescopic jumbo drill feeds. The feeds are engineered for seamless drifter ...
