

Drill tech rigging

What is a drill rig training course?

People who meet the requirements for drill rig training can demonstrate a basic understanding of drilling blasting holes with a medium diameter. This blasting course teaches how to operate a drill rig safely and complete the duties of drilling blast holes in surface mining operations.

What is rig equipment?

Our Rig Equipment team designs, manufactures, and sells land rigs, complete offshore drilling packages, and drilling rig equipment and components designed to mechanize and automate complex drilling rig processes. Our prolific portfolio includes several industry-first equipment innovations including the top drive and iron roughneck.

What types of drilling rigs are suitable?

Sonic, heli-portable, track, marine, truck, and underground drilling rigs are suitable for virtually any application. Safety is paramount in all industrial environments, especially within higher-risk activities such as mobile drilling.

Who is Drill Tech Drilling & Shoring?

No matter the scale or challenge of your project, we're ready to help you achieve your goals. Drill Tech Drilling & Shoring, Inc. was founded in 1994 by Shannon Creson and Dave Shupe. Thanks to their ingenuity, determination and years of hard work, what began as a home-grown two-man operation, has become a nationwide business.

What is a small drill rig?

These small drill rigs are available in the form of jumbos, longhole rigs, and drill-charge and drill-split breaking units. Drills have different mining functions, from providing geologists with different samples of soil for analysis, to facilitating the extraction of precious minerals that would otherwise be difficult to reach.

Why should you buy a geotechnical drill rig?

Equipping you to do your best job and keeping you in the field via one-on-one expert sales and service technicians manning live support phone lines, shipping necessary parts same-day. Geotechnical drill rigs engineered for efficiency and safety. Geotechnical drill rigs for sale include features making geotechnical rig cost effective.

We Offer Rock Anchoring, Rock Anchoring, Soil Anchoring, Prestressed Rock Anchors, Prestressed Structures Rock Anchors, Piling, Micro Piling, Piling ...

Complementing its comprehensive tubular inventory are Drilltech's proprietary products. Spiro-Torq's innovative technology, is the industry leading casing ...

Drill tech rigging

What Is a Core Drilling Rig? A core drilling rig is a specialised equipment that uses a cylindrical drill bit to extract columnar samples from materials such as concrete, rock, asphalt ...

Engineered with easy, fast, safe geotech sampling in mind, investing in Geoprobe®; geotechnical drill rigs launches your geotechnical drilling ...

DrillTec GUT GmbH Großbohr- und Umwelttechnik is a globally operating drilling contractor for well-known companies in the oil, gas and geothermal industry. Our range of services includes ...

Drill Rig Training in South Africa Denotech Training is an accredited centre within South Africa, for training on drilling rigs. This centre specialises in the development of individuals, through the ...

Directional Boring or Horizontal Directional Drilling (HDD) is a steerable trenchless method of installing underground pipes, conduits, and cable along a designed bore path which is ...

TechDrilling focuses on integrating advanced technologies into drilling inspections and lifting equipment to enhance efficiency, safety, and performance. Our solutions are designed for ...

Due to the simplicity of the tool's make up procedure, existing rig crews are more than capable of placing the Spiro-Torque®; Tool within the drill string. This ...

Our land drilling rig systems give you an edge in today's most challenging drilling environments. Learn more about our high-tech drilling rig systems.

T.S.D.T. maintains a wide range of specialized equipment, including Truck-Mounted Drill Rigs, a Trailered GeoProbe Unit, a Narrow (35" Track Mounted GeoProbe for indoor access, and a ...

Drilling tech keeps improving, and rig brands are making rigs more efficient and green. This keeps drill rigs leading in getting resources and ...

China Quality Spindle Drilling Rig and Core Drilling Rig suppliers HUNAN MEGA DRILLTECH CO., LTD., We are committed to providing high quality products, Which have been sold ...

Water well drilling made faster and easier with well drilling rigs and well drilling equipment designed to efficiently drill water wells.

Rig-Tech assists in the manufacturing of subsea drilling equipment by servicing a variety of subsea controls equipment and systems. We are a team of dedicated professionals working to ...

As a leading rig equipment OEM and service partner, they offer comprehensive drilling rig solutions,

Drill tech rigging

aftermarket service support, and facilities engineering. ...

Drill-Tech, is the leader in Horizontal Directional Drilling in Maryland. 20 yrs of experience, over 5 million feet completed. Power, gas, water, sewer, telecom

Drilltech Group is a specialist drilling rental tool company, supporting complex drilling campaigns i.e. ERD, Deepwater, Horizontal and HP/HT wells.

Check our Australian Made Equipment page to enhance your drilling performance with our premium drilling rigs in Australia. Contact our experienced team for

Horizontal Directional Drilling Directional Boring or Horizontal Directional Drilling (HDD) is a steerable trenchless method of installing underground pipes, conduits, and cable along a ...

Rig Technologies comprises two parts: Rig Equipment and Aftermarket Operations. Our Rig Equipment team engineers and manufactures drilling rigs, ...

Our Rig Equipment team designs, manufactures, and sells land rigs, complete offshore drilling packages, and drilling rig equipment and components ...

Founded in 1997, the DrilTech Group has long been a reputable provider of drilling engineering services in Hong Kong. The Group specializes in ground ...

Our cutting-edge equipment combines innovative technology, robust construction, and precise engineering to ensure reliable and precise drilling in even the ...
