

Drilling rig anchors

We offer a wide line of standard traditional oilfield anchor models as well as rotating-drum alternatives that reduce wire rope reeving time. And as with all ...

Anchor Drilling Rig SA-150Q For Deep Foundation Pit Support Engineering SA-150Q crawler-type hydraulic anchor drilling rig is the professional soft soil ...

Deadline anchors provide accurate weight measurements and secure deadlines. The deadline anchor is used to tie down the drill line and measure the load ...

Self-Drilling Anchor Drill Rigs Self-drilling anchor drill rigs are highly efficient equipment used in geotechnical engineering, primarily for the installation of self-drilling anchors. They are widely ...

The anchor drilling rig is mainly used in landslide and dangerous rock mass anchoring projects to prevent and control various geological disasters of hydropower stations, railways, and highway ...

This guide is intended to cover those foundation drill rigs used for the installation of earth anchors, rock anchors, micropiles, soil nails, and comparable products.

Hydraulic drilling rigs, drilling accessories, know-how and service for civil engineering and geothermal applications Hütte Bohrtechnik is a global leader ...

Anchor holes can be bored using a variety of drilling techniques including rotary, top-drive rotary percussive, Down-The-Hole hammer and augering. In difficult ground conditions simultaneous ...

Installation of oilfield safety anchors calls for reliable and powerful drilling capabilities. Oil field service customers can create their own all-in-one unit that ...

Hutte hydraulic drilling rigs for micropiles and ground anchors for new and existing foundations, ground stabilization, and soil investigation.

Introduction The term "Anchor/Micropile Foundation Drill Rig" covers several differing types of machines for use in the deep foundation construction industry. This guide is intended to cover ...

Normet Self-Drilling Anchors (SDA) are an injectable bolting system that combines support-hole drilling and permanent reinforcement installation into a ...

Split Anchor Drilling Rig The separated anchor drilling rigs are mainly used in landslides and dangerous rock

Drilling rig anchors

body reinforcement, especially suitable for side ...

Hütte provides high-performance hydraulic drilling rigs and advanced technology supplying you with the best micropiles drilling equipment. We have extensive ...

China leading provider of Anchor Drilling Rig and Tunnel Drilling Rig, Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd. is Tunnel Drilling Rig ...

Simulation and experimental research on drilling and rock breaking mechanisms of anchor drill rigs with analysis of drilling feedback signals

Drilling rig anchors
