

Drilling rig companies bc

Who is on track drilling?

On Track Drilling has been serving British Columbia's Lower Mainland and Vancouver Island since 2002. Our unique, custom-built drilling equipment is specifically designed for the diverse soil conditions of Southern British Columbia. We always strive to establish innovative standards in the geotechnical and environmental drilling industry.

Who is Westech drilling?

Westech Drilling Corp. is a British Columbia based company serving Western Canada and the Territories. We provide geotechnical, environmental, construction, exploration, and geothermal drilling services.

What services does a drilling company offer?

We use state-of-the-art equipment and techniques to ensure that every project is completed on time and to your satisfaction. We offer a wide range of Environmental & Geotechnical drilling services, including monitoring well installations, CPT pushing, large auger casing, extraction well installation, and injection well installation.

What types of drilling can a truck rig be used for?

Our truck and track rigs can be used for conventional environmental and geotechnical assessments, using auger, Geoprobe (direct-push), sonic drilling, ODEX drilling, mud rotary or diamond drilling (rock coring). We also carry limited access drill units that can fit through a door or at remote access sites.

What types of geotechnical exploration drilling services are available?

With a range of geotechnical exploration drilling services, as well as expertise in underground drilling, track drilling, fly drilling, skid drilling and ice drilling, we have you covered. If you have project needs that require special approach, we'll design a solution that will get the job done.

How many drill rigs does drillwell have?

A fleet of 17 drill rigs of varying size and capabilities coupled with experienced operators including 10 certified journeyman water well drillers ensure Drillwell is prepared to meet practically any drilling challenge. We are committed to providing exceptional results and customer service is no exception.
