Where can I find used drilling rigs?

You've reached the new home of DM series rigs engineered specifically for water well and geothermal contractors. Welcome to the "Used Drill Rigs" section of the Geoprobe website. This is a free service we offer for listing used drilling rigs for sale and other drilling equipment.

Where are drilling rigs made?

Most new onshore rigs, both drilling and work over rigs, are built by OEMs in China. In the US, the larger vertically integrated land drillers have in-house manufacturing operations, so they will outsource some equipment construction, but assemble the new rigs at their own facilities.
