

Drilling rig companies northern nevada

Who are ndwr licensed Drillers?

All of our Nevada Division of Water Resources (NDWR) licensed drillers are experienced in groundwater, monitoring, and remediation well installation. With the addition of Boris, the TSi 150CC Compact Crawler, Eagle Drilling Services has one of the few Nevada-based sonic drilling teams.

What is Redcor Drilling?

Redcor Drilling is a company that specializes in all types of core drilling in support of active mining operations, mine development projects, and exploration. With a reputation for honesty and reliability, Redcor Drilling has developed its capabilities to better serve its clients in Northern Nevada.

What drilling rigs does Eagle own?

Eagle owns and operates five specialized drilling rigs, (2) Deidrich D-50 Turbo Track rigs, a D-120, a Mobile B-90 and a Sonic Tsi 1500CC compact Crawler. These rigs can perform hollow-stemmed auger, coring, sonic, and air/mud rotary drilling.

Does Eagle drilling services offer Sonic Drilling?

With the addition of Boris, the TSi 150CC Compact Crawler, Eagle Drilling Services has one of the few Nevada-based sonic drilling teams. Sonic drilling is one of the more advanced drilling techniques, using high frequency, low amplitude mechanical vibration with rotation and downward pressure.

Where is Redcor Drilling's Carlin location?

Redcor Drilling's Carlin Headquarters is situated on the Carlin Trend. This location allows us to provide the great service that we are known for.
