PII RC Combination Swivel MPP manufactures a line of combination swivels for reverse circulation drilling. The PII combination swivel is a side inlet, top discharge style. The PII swivel ...

The main purpose of a drilling rig is to lift the drill rod on each upstroke, which will pull the oil out of the ground. There are three main types of drilling rigs: horseheads, air ...

Cameron provides a complete range of rig floor technologies--from catheads and winches to the fully automated JiM 20 large-tubular hydraulic roughneck--for both onshore and offshore ...

This document provides an overview of rig operations and equipment used in drilling wells. It describes the personnel involved in drilling, including the tool ...

The grasshopper leg drilling rig has the remarkable characteristics of fast drilling footage and high work

Drilling rig grasshopper

efficiency. It is suitable for drilling mud, sand and a ...

The safest method of rigging the grasshopper is with the use of a crane. The crane is generally able to lift from directly above the point of attachment of the cable to the grasshopper allowing ...

Bentec designs, manufactures and delivers reliable, safe and efficient rigs and equipment for oil, gas and geothermal drilling in the harshest and most hostile environments all around the ...

Name : NOV Rapid Drilling Rig for Sale ID : 9000-455 Price : Inquire for pricing Specifications : NOV Rapid Drilling Rig for Sale 1500 hp Rapid Rig for Sale 80ft Height Rapid Rig for Sale ...

Proper procedures must be followed to ensure that the grasshopper will not swing out of control during rigging-up. Failure to do so can result in personal injury and property damage. The ...

The TDSU-Grasshopper enables fast and orderly rig up of the cables and hoses that are required to run from the TDSU to the rig floor. This is accomplished ...

The result of years of research and engineering expertise, the PACE®-X800 rig is a rig designed for well manufacturing in the Shale Plays. A high-quality rig built with leading-edge technology, ...

This document provides instructions for installing and removing a top drive unit using a portable torque guide on a drilling rig mast. It discusses preparing the ...

The grasshopper-leg water well drilling rig is a positive-circulation drilling rig developed by Shandong Master Machinery Group to meet the needs of fast ...
