

Drilling rig owners

Who are the largest offshore drilling rig contractors?

The accompanying table lists the ten largest offshore drilling rig contractors in terms of managed fleet size, meaning the figures include rigs that are managed on behalf of other owners. China's state-run China Oilfield Services Limited, or COSL, continues to hold onto the top spot on the list with 58 rigs under its management.

Who is the best offshore oil rig company?

Valaris, with the largest fleet of offshore oil rigs, continues to lead in the offshore drilling sector. The company's extensive operational experience and focus on technology and innovation have made it a top choice for comprehensive drilling services across multiple regions. Maersk Drilling is known for its commitment to safety and innovation.

What is an offshore rig company?

An offshore rig company, also known as an offshore drilling business, is a specialized business that provides offshore oil and gas production services. These companies operate, manage, and maintain offshore drilling rigs, platforms, and associated equipment in oceans or seas.

Who manages the rigs?

Energy Drilling manages the tender-assist rigs, while the others manage the drillships and semisubs. As of the end of 2021, the ten largest offshore rig contractors managed 44% of the global rig fleet of 723 jackups, semisubs, and drillships. This includes units under construction but not yet delivered.

Who owns Gulf drill rigs?

As of the end of 2023, the company owned 19 rigs, three of which are leased to the GulfDrill joint venture (JV) for which operations are managed by Gulf Drilling International, and one of which is leased to the Sonadrill JV. The Sonadrill JV is managed by Seadrill and also holds two rigs owned by partner Sonangol.

Who owns Seadrill rigs?

The Sonadrill JV is managed by Seadrill and also holds two rigs owned by partner Sonangol. Furthermore, Seadrill drillship Capella is managed by Vantage Drilling, and drillship Vela is managed by Diamond Offshore. Drillship West Auriga was being managed by Diamond at the end of last year but has since transitioned to Seadrill management.
