

## Drilling rig specs

Rig Specifications Synergy Offshore Drilling has four technologically advanced diesel electric drilling rigs with top drives ranging from 1200HP to 2000HP and drilling depth capabilities that ...

Drillmec started first with the introduction of conventional land rigs that inculcated Massarenti & Branham-design. Today they are full range land rig packages with varied capacity and ...

Precision Drilling's Super Single is redefining the single rig category by challenging its rig class through unmatched performance, power, mobility, and versatility.

General Electric SCR system is designed to meet the DC electrical drive requirements for an electric drilling rig that will utilize 3 phase, 60 Hertz, 600 volt electrical power source. The ...

These specifications are intended for general reference purposes only, as actual equipment and specifications may vary based upon subsequent changes, the contract situation and customer ...

**THE H& P FLEXRIG®; FLEET OFFERS FLEXIBLE DESIGN AND INNOVATION TECHNOLOGY FOR UNLIMITED PERFORMANCE** Our FlexRig solutions offer configurations to deliver more ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For example; oil and gas, construction ...

The Predator Drilling System is a three- component package consisting of a mobile rig, substructure and a pipe skate. The components are designed, and manufactured at Atlas ...

The DE710 is a powerful and space efficient mid size cor-ing drill with a heavy duty base frame design. It is the most versatile drill in its class and it is available in a range of configurations to ...

Technical Specification for 750hp truck mounted Drilling Rig 750HP Truck-mounted Drilling Rig, drilling depth up to 3000m (4 1/2"DP), main technique parameter are as follows:

You have the requirements, we have the rig. At our production base in China we design and develop oil, gas, and geothermal drilling rigs for drill depths ranging from 3,000 m to 9,000 m ...

Discover Borr Drilling's fleet, showcasing our global presence with advanced jackup rigs designed for safety and efficiency in diverse markets.

The most compelling reasons to select a T4W are its reliability and drilling performance. The T4W has

## Drilling rig specs

established an enviable, solid reputation as the waterwell drill rig of choice. It is also the ...

The Model 2500 provides high production and application versatility in a drill unit that can be easily moved or transported. The Model 2500 is available mounted on a truck/carrier or on a ...

16 rows; Our land drilling rig systems give you an edge in today's most challenging drilling environments. Learn more about our high-tech drilling rig ...

The Rotary Drilling Rig BG 28 H PremiumLine (BT 85) Max. drilling diameter: Max. drilling depth: Max. torque: Max. height: Engine: 2,500 mm 65.7 m 277 kNm 24.9 m CAT C 13 - Stage III ...

The Model 3110 is a strong, powerful drilling machine capable of drilling large diameter drilled shafts. The torque and crowd available with the Model 3110 provide capacity to drill in difficult ...

Flexibility, versatility and reliability Maximize productivity in small spaces with the Simba S7. This hydraulic long-hole drill rig is built for small spaces and tough drilling conditions. Increased ...

Drilling rigs can be mobile equipment mounted on trucks, tracks or trailers, or more permanent land or marine-based structures (such as oil platforms, ...

Drilling Rigs and Duty Cycle Cranes Together with our subsidiaries we manufacture equipment and tools for specialist foundation engineering ...

Rent a TR50 Drill Rig Designed for easy transport on standard 5-axle trucks, with a gross vehicle weight of 61,000 pounds, the TR50 is one of the most flexible ...

When shopping for a drill rig, there As with every Horizontal Directional need to directly touch base with the are many, many options out there. Big Drilling Guide, we have include our an- ...

Drilling rigs from Liebherr are suitable for the hardest types of soil and rock. A wide variety of drilling methods and tools are available for drilling down into the deep.

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...
