

Drilling rigs in alberta

Who is the largest drilling rig contractor in Canada?

Precision Drilling Corporation is the largest drilling rig contractor in Canada, also providing oil field rental and supplies. Precision Drilling Ltd. was founded in 1951. In 1987, Precision Drilling was acquired by Cypress Drilling, led by president Hank Swartout, in a reverse takeover which left the company with a fleet of 19 rigs.

Where are Alberta's oil drilling rights?

Located roughly between Alberta's Nipisi Lake and an area called Marten Hills, the drilling rights going for sale fall within the Clearwater shale and sandstone formation, with pockets of oil 600 to 700 metres below the ground, Tang said. Crude from the area can be produced for about \$10 a barrel.

How do I use rig locator?

Layer in access roads, pipelines and more. Input start and end location to retrieve directions and distance. Take the new Rig Locator for a test drive. Sign up for a 5-day, limited access trial to see how the mapping and reporting features on Rig Locator make businesses more agile.
