

Epiroc d65 drill rig specs

SmartROC D65 DTH surface drill rig for quarrying and mining SmartROC D65 hole diameter: 110-229 mm (4.3-9") Intelligent, Discover more about the ...

Discover our wide range of surface drilling equipment within mining, quarrying, construction, civil engineering and the dimension stone industry. Read more ...

It presents everything from drilling parameters to real-time Measure While Drilling (MWD) data. A SmartROC rig from Epiroc has the potential to significantly raise quality across the whole ...

The FlexiROC D65 is a top-tier surface drill rig engineered for high efficiency drilling in large scale mining and quarrying operations. Designed for down the hole DTH drilling, it supports hole ...

The FlexiROC D60 and D65 surface drill rigs from Epiroc are the perfect balance between productivity and efficiency. Proven and dependable rigs for DTH drilling in mining and large ...

Max hole length with hydraulic rod handling system and 5 m (16,4") rods. It adds and then extracts rods automatically when the desired depth is SmartROC ...

With a robust, rugged build, the FlexiROC D65 offers superior operational efficiency, ensuring fast and precise drilling results. Its advanced technology ...

The SmartROC D65 is built to face the toughest of conditions. It's loaded with intelligent features that will improve your operations, increase safety and boost productivity.

The FlexiROC D65 from Epiroc is the result of decades of experience and know- FlexiROC D65 Ø 89-114 mm (3.5"- 4.5") drill tubes 55.5 m 182" how gained from the toughest mining and ...

The SmartROC D65 is controlled via an advanced Rig Control System (RCS) displayed on a touch screen inside the comfortable, air-controlled FOPS and ROPS-certified cabin. It ...

FlexiROC D65 Surface drill rig for aggregate and limestone quarries, surface mining and construction Maximizes your productivity and efficiency due to optimum DTH performance ...

This document provides operation instructions for the SMARTROC D65 T3 rock drill. It includes sections on reference materials, general descriptions of the ...

The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your

Epiroc d65 drill rig specs

operation the chance to profit from the added ...

Designed for down the hole DTH drilling, it supports hole diameters from 4.6 inches to 8 inches, making it ideal for heavy duty rock excavation. Equipped with a powerful 540 HP it delivers ...

This document provides operation instructions for the SMARTROC D65 T3 rock drill. It includes sections on reference materials, general descriptions of the drill rig components, technical ...

065short .Halogen canopy Idweather kit_250Cand feed) work light pointing to below, including diesel engine .Servicewinch with jibboom feed support, transport position heater andether ...

This document provides instructions for operating the SmartROC D65 T4F drill rig. It includes sections on general components and description of the rig, technical specifications, daily ...

Smart, reliable and efficient With the SmartROC T45 you're in control. The rig features an intelligent control system which presents information to the operator via an easy-to-use ...

The Epiroc team recently sat down with Yuri Alexandre, President & General Manager at Dynamitage Castonguay - a drilling and blasting contractor based in Val-d'Or, Quebec to ...

The FlexiROC D65 surface drill rig from Epiroc is the perfect balance between productivity and efficiency. A proven and dependable rig for DTH drilling in ...

The Epiroc SmartROC D65 XLF is a cutting-edge surface drill rig designed for quarrying and mining applications, offering enhanced efficiency and productivity.

A rig you can rely on The FlexiROC D60 and D65 surface drill rigs from Epiroc are the perfect balance between productivity and efficiency. Proven and dependable rigs for DTH drilling in ...

The new efficient SmartROC D65 All these features and flexibility are consistently delivers high-quality blast packed in a rig which is economical holes with accuracy and precision. to run due ...

The SmartROC D65 is a DTH surface drill rig best suited for contour, presplit and production drilling tasks within Australian mining industry. The new generation SmartROC D65 ...
