

Excavator Surface Down-the-Hole Drilling Rig

SWDR165B excavator chasis DTH drill rig which combines the functions of excavator and rock drilling rig
Product description Drilling method: Down-the-hole Hole diameter: 138-180mm DTH ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Our KT15 integrated surface DTH drilling rig is designed by drawing inspiration from previous models. It can satisfy most needs of operators by providing a ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

Drilling method: Separated Down-the-hole Hole diameter: 90-178mm DTH-hammer: 3.5, 4 and 5 inches
Engine brand: YuChai SWDQseries crawler ...

Open-pit mining Surface down-the-hole drill rigs. MWYX-420 seprated DTH drilling rig is equipped with a dual-motor rotary head and a rotary speed-adjustable multi-way valve. The rotary torque ...

Sunward SWDR180B DTH drilling rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Explore the most comprehensive line of surface rotary and DTH blast hole drilling rigs in the industry, with a multitude of configurations to choose from and ...

The SWDR series is surface down-the-hole drilling rigs which have a drilling diameter of 105-203mm and a max drilling depth of 30m. Drilling range 138mm-180...

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For example; oil and gas, construction ...

Having a knowledgeable and available world-class partner on site or online, makes the difference between doing it alone and tapping the experience and ...

Excavator Surface Down-the-Hole Drilling Rig

A remotely radio-controlled hydraulic, crawler-based surface drilling unit, Dino(TM) DC420Ri is designed for drilling 51 to 76 mm (2 to 3 in.) hole sizes. It provides ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Vertical drills can be used to perform several different drilling techniques, ranging from mud rotary to down-the-hole (DTH) drilling. Some models are outfitted with mud pumps ...

XQZ152 surface down-the-hole drill rig is a medium-sized integrated down-the-hole drilling machine mainly developed for quarries, cement mines, open-pit ...

The ZT44 is a down-the-hole surface drill rig designed for mining-duty applications. It offers high reliability and production with purpose-built structures, a high horsepower engine and large ...

Technical Specifications of SWDR Series Surface Down-the-Hole Drilling Rigs. 1 re Parameters: Drilling diameter range 105-203mm, maximum drilling depth 30m.

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

2024 Latest ****Surface DTH(Down the Hole) Drilling Rig****-for Open Pit Mining, quarry, and construction industries, the drilling hole diameter is wide and can be applied to ...

Discover how the right down-the-hole (DTH) drill rig can boost your mining and construction efficiency. Learn about rig types, key features, and ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

Rotary drilling rigs can use a variety of drilling tools, including augers, DTH (down-the-hole) hammers, and hydraulic rock drills. These tools are designed for different soil and ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the ...

Manufacturers of the Rotary Drilling Rig Machine. REL Specialized in Rotary Blast Hole Drill Rig, Down the Hole Drills for Mining, Quarrying & Construction.

Epiroc's drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional

Excavator Surface Down-the-Hole Drilling Rig

automated features for underground production drilling and ...

Product description Drilling method: Down-the-hole Hole diameter: 105-165mm DTH-hammer: 4 and 5 inches Technical Specifications of SWDR Series Surface Down-the-Hole Drilling Rigs ...

Designed for DTH blasthole drilling in mining, quarry and construction industries, it comes with an operator's cabin, fixed boom, dry dust collector and drill pipe changer.

The SWDR series is surface down-the-hole drilling rigs which have a drilling diameter of 105-203mm and a max drilling depth of 30 Meeting the drilling needs of vertical, inclined and ...

Integrated DTH Drilling Rig Our KT series integrated drilling rig an advanced drilling machine that combines borehole drilling rig and screw air compressor. ...
