

France slope down-the-hole drilling rig rental

Why should you rent a drilling rig?

In the dynamic drilling industry, there is nothing more important than high-quality equipment rentals. Drill rig rentals not only provide flexibility but also ensure that drilling contractors are getting the latest and best equipment without the complexities of owning a rig.

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

Where can I rent equipment in France?

Rental is possible throughout France and the French overseas departments and territories (collection of the equipment from our premises or dispatch by express or courier service) and can be for a short or long period of time (application of degressive rates). The amount of the deposit will be fixed according to the equipment rented.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

What are the different types of drilling equipment?

There are various types of drilling equipment, including coring, exploration, direct push, geotechnical, and environmental. This equipment is tough, durable, and brings incredible performance in every endeavor. Rig Source, with our commitment to excellence, stands as a leader in offering some of the best drilling equipment available for rent.

What is an environmental drill rig?

Environmental drill rigs are a tool to investigate environmental conditions at a construction site. These rigs are important for identifying areas of soil or groundwater contamination and making sure that projects align with environmental regulations. Our rig rental options include brands like Diedrich, CME, Mobile Drill, and more.
