

# Furukawa crawler down-the-hole drill rig

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Furukawa FRD is the industry leader in innovative technologies for rock drills, down the hole (DTH) drills, rock breakers, rock hammers for ...

Outstanding Drilling Performance over 20 years worldwide. Genuine Furukawa PCR200-DTH-II advanced design of the boom and hydraulic system assures outstanding versatility and high ...

Down The Hole This is a large-diameter drilling machine series featuring superior drilling ability. Mobility in small faces, the comfort of the cabin, ease of operation, and ease of maintenance ...

This is a large-diameter drilling machine series featuring superior drilling ability. Mobility in small faces, the comfort of the cabin, ease of operation, and ease of ...

Crawler drilling rigs | Choosing the right drilling rig There are two main types of drilling rigs: autonomous crawlers and truck or trailer-mounted. You will need ...

Furukawa Rock Drill offers the &quot;HCR Series&quot; of hydraulic crawler drill as its main products. Among the HCR Series, the current product ...

PCR200-MIX pneumatic crawler rock drilling rig is a remarkable piece of engineering and surface mining that seamlessly integrates two distinct rotation devices: the top hammer and the DTH ...

The Furukawa DCR22 crawler drill is a premium down-the-hole (DTH) hydraulic rig specially designed for surface drilling at UK mines and quarries.

It is specifically designed for drilling large-diameter holes in hard rock formations. DTH drilling offers several advantages, including high drilling speed, efficient ...

Local mining equipment supplier ELB Equipment has teamed up with world leading Japanese drill rig manufacturer Furukawa to develop a tough, down-the-hole crawler drill rig to ...

Pantera(TM) DP1600i is an intelligent, diesel-powered, self-propelled, crawler-based surface top hammer drill rig with a comfortable cabin and rod-changer. ...

The superb drilling performance,easy maintenance,outstanding quality guarantee are made African customer

## Furukawa crawler down-the-hole drill rig

purchases again. This rotary ...

Operation hydraulic pneumatic Type for excavators Other characteristics low-noise Options for mines for secondary demolition for tunnels with double arm, for tunnels Product applications ...

Products Hydraulic breakers, hydraulic crushers, hydraulic and pneumatic crawler drills, down-the-hole drills, hydraulic drilling machines for furnaces, various drill jumbos, concrete spraying ...

Hydraulic Crawler Drills Furukawa Rock Drills lead the competition in up time with blast hole drills. Easy to operate; easy to maintain. For over 100 years ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

The ATD100 Air Track Drill is a self-propelled pneumatic crawler drill that can be used for both DTH and drifter drilling. It maintains a simple and lightweight ...

Down The Hole Drill & Rotary Drill DTH / Rotary Drill : Crawler type DCR45 FRD's answer for volume production. Down The Hole Drill & Rotary Drill FRD never stops step for development ...

These drills have been proven in soft, medium and hard rock conditions with multiple end-users and applications providing deep holes from 3.5? to 6.5? in ...
