

Hh honghua land oil drilling rig

How much is Honghua rig worth?

China's Honghua Group, a leading global land drilling rig manufacturer under the Dongfang Electric Corporation, signed a contract with a large drilling company in the Middle East to deliver several sets of 3000HP artificial island cluster wells drilling rigs, with a total value of 1.5 billion yuan (\$206.7 million) on July 16.

How many types of oil drilling equipment does Honghua manufacture?

Honghua is dedicating in design and manufacture of 1,000m-12,000m multiple drive mode products in nine groups, including complete sets of land drilling rigs, offshore drilling packages, top drives, 500-2,200HP mud pumps, and other more than 50 categories, over 1000 types oil drilling equipment and ancillaries.

Why is Honghua expanding its oil & gas industry?

Based upon current competitive advantages of land drilling rig manufacturing, Honghua is using relevant diversification development strategy, expanding into offshore equipment manufacturing, key ancillary fabrication, oil & gas engineering services, oil & gas exploitation and production (especially unconventional gas), and so on.

How many drilling rigs can HH manufacture?

With the annual manufacturing capacity of 120 drilling rigs and 500 mud pumps, HH has the world's largest rig assembly and test yard in China, where 24 rigs can be assembled/rigged up simultaneously.

Who is he Honghua Group Limited?

A large-scale equipment manufacturer and drilling service provider. Mr. He Honghua Group Limited is a large-scale equipment manufacturer and drilling service provider, specializing in research, design, manufacture, and set-assembly of drilling rigs, offshore engineering, and oil & gas exploitation and production equipments.

Why should you choose Honghua offshore?

Honghua has the global leading welding workshops, assembly workshops, forging workshops, and the largest rig-up yard throughout the world. Honghua has a capacity of manufacturing 120 drilling rigs and 500 mud pumps per year. Manufacture of Offshore Equipments Honghua Offshore is among the mere few that are armed with EPC capabilities in the world.
