

Hire offshore drilling rigs

Where can I rent a drill rig?

Rig-Rents offers Bay Shore Systems drill rigs, piling equipment, and tooling for rent nationwide.

Can I hire a drilling rig?

Drilling Rigs can be hired on short or long term agreements. All our hire machines are serviced and checked before leaving the workshop to ensure the drilling machine is in a fully working condition. We also offer a delivery and collection service on request please contact us for further information.

Where can I get a degree in offshore oil rig work?

Scotland, in particular, has a thriving interest in offshore oil rig work - consider signing up for a course at the City of Glasgow College if you're interested in furthering your education in this sector, or a course at the Aberdeen Drilling School for specialised training.

How much does it cost to hire an offshore rig?

It could cost up to half a million dollars per day to hire an offshore rig, according to industry executives. This is a significant increase from just covering operating costs two years ago when the UK North Sea had a range of \$140,000 - \$160,000 per day.

Do you offer low overhead drill rigs?

We offer low overhead models for limited access drilling, Kelly bar extensions, and rubber pads or steel tracks on all drill rigs. We understand the importance of efficient and safe operations. Every piece of equipment undergoes meticulous maintenance to ensure optimal performance on your next drilling project.
