

How big is the largest water well drilling rig

How deep can hydracrat drill?

Hydracrat has successfully completed a significant number of large diameter boreholes and deep drilling for the water and energy markets over several decades. Our specialist fleet of drilling rigs have the capability of drilling up to 24 inch diameter boreholes, with depth capabilities of 300 metres depending on project requirements.

Which rig is best for water well drilling?

Set atop a RAM 5500 Tradesman, the V-12 water well drilling rig is the most compact rig in the Versa-Drill fleet. No commercial driver's license required Water Well, Geothermal, Exploration, Cathodic Protection Lightweight yet powerful, the Versa-Drill V-125X showcases unmatched performance that makes it one of our top sellers.

What is a watertec 40 water well drilling rig?

The Watertec 40 water well drilling rig has been designed for drilling large diameter boreholes to great depths in some of the world's most challenging environments.

What is a versa-drill water well drill rig?

All Versa-Drill water well drill rigs are equipped with our patented direct-drive hydraulic feed system. That means no cables or chains to adjust. It means no expensive maintenance. It means better safety for you and your team. Set atop a RAM 5500 Tradesman, the V-12 water well drilling rig is the most compact rig in the Versa-Drill fleet.

What is included in the water well drilling rig machine?

Our Water well Drilling RIG Machine contains below things. Two Trucks of 6x4 suitable models with Air conditioner Driver Cabin for RIG Mounting and Compressor. Heavy duty Automatic Hydraulic Rod line lifter complete fitting with the RIG mounting. Air compressor. New Diesel Engine to operate Rig. 10" C-Channel Heavy Duty Mast.

What can a versa drill rig do for You?

Water Well, Geothermal, Exploration, Cathodic Protection Whether it's a large commercial job or a small residential drilling project, your Versa-Drill rig is built to accompany you on your toughest days. Get the custom equipment you need to get your work done. Contact us to get your water well drilling rig.

Lone Star Drills are proud to provide a viable, economical solution to water well drilling. Commonly used by missionaries for water projects in developing countries, Lone Star water ...
