As a DIYer I have experienced that torque plays an immense role in a cordless drill. So, today we'll learn all about it in our cordless drill torque chart.

Amazon : ridgid drill20V MAX Lithium Ion Cordless Drill Set, Power Drill Kit with Battery and Charger, 3/8-Inch Keyless Chuck, Variable Speed, 16 Position and 22pcs Drill Bits (Red)

The drills do all right, they drill holes and drive screws just like they should. They're definitely not as powerful as my coworker's Milwaukee drills, but I wouldn't expect them to be given the price ...

I bought and tested the most expensive Ryobi, Ridgid, Makita, DeWalt and Milwaukee cordless drills that the Home Depot had to offer to see which ones were fastest, strongest and all around awesome ...

Edit: Thanks for everyone's input! I ended up getting the Ridgid 4-tool brushless kit (impact driver, Hammer drill, oscillating multitool, reciprocating saw, 2.0 Ah ...

When it comes to choosing power tools, two brands often come to mind: Rigid and DeWalt. Both have earned strong reputations within the industry, each boasting a loyal ...

I have Ridgid tools for my 18v stuff, first got into it for their 18v trim router since Milwaukee didnt have one at the time, and the Ridgid seemed good enough vs the Mikita for what I needed.

Note: RIDGID and RYOBI cordless power tools are licensed by TTI. We didn't include every tool company in this image. To be honest, we ...

Discover the advantages of Ridgid power tools, from professional-grade performance to cost-effectiveness. Explore their praised durability, balanced ...

AEG came out with a brushless hammer drill, a brushless impact driver, and a brushless angle grinder, but

How good are rigid drills

there don't seem to be any immediate plans to release these tools ...

Are Ridgid tools as good as DeWalt tools? For the most part, Ridgid has several tools that are right on par with DeWalt tools, but there are ...

Ridgid, on the other hand, offers two 12-volt power tools - an impact driver and a drill/driver. Which Brand Offers a Better Selection of ...

Moreover, Ridgid makes well over 300 different types of tools. Ridgid power tools are made mostly by a company called TTI, with wet and ...

Ridgid makes good tools, I had a bunch of the 18v stuff but I ended up making the switch to DeWALT. I highly recommend sticking to a brand sold by more than one retailer.
