

Is the Proud rock drill a replica

Who sculpted the Rock Drill?

The image shows the sculpture 'The Rock Drill' (1913) by British sculptor Jacob Epstein as it was displayed at the Brighton City Art Gallery from December 1913 to January 1914. "The Rock Drill" is not entirely abstract.

Do you like the pistol Rock Drill handle?

I love the pistol rock drill handle. The charged heavy can dish out a surprising amount of damage and status build up if you get the opportunity to just let it channel. Choosing when to let go and hit the stagger is also very valuable! If you want to be sadistic, put the hunting knife on that handle.....

Who reconstructed Rock Drill?

A 1974 reconstruction, by Ken Cook and Ann Christopher, is part of the Birmingham Museum and Art Gallery's collection. Rock Drill has been heralded as embodying the spirit of "radical Modernism more dramatically than any other sculpture, English or continental, then or since".

Is rock drill a 'radical Modernism' sculpture?

Rock Drill has been heralded as embodying the spirit of "radical Modernism more dramatically than any other sculpture, English or continental, then or since". Jacob Epstein (1880-1959) was an American-born sculptor who had moved to Europe in 1902, and taken British citizenship in 1911.

Why is Jacob Epstein's rock drill so important?

It's ironic that Jacob Epstein's Rock Drill sculpture became an iconic emblem for Vorticism, Futurist sculpture, and the 'new art'.

What is the Rock Drill?

"The Rock Drill" is not entirely abstract. It is a conception of a thing I knew well in New York and is my feeling of that thing as a living entity, translated into terms of sculpture. It is a thing prophetic of much of the great war and as such within the experience of nearly all and has therefore very definite human associations.

Tried searching for the patent but no luck, I remember it showing the engine and part of drill drive. Thought it was a V twin but found some mention of a rotary engine so maybe ...
