

## Kaishan drilling rig

Our drill rigs provide efficient and precise drilling solutions for various industries, from mining and construction to geothermal and water well drilling. With advanced features and customizable ...

Categories: All Products, Kaishan Drilling Rigs Description: The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ...

Kaishan KT15C DTH blast hole rig has high-capacity rock drilling in quarries, opencast mines & construction. Great usability, efficient rig operation.

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

Kaishan DTH Drilling Rig ZT10 Integrated Automatic Pole Change Quarry Blast Mine Drilling Rig With Built-in Compressor ZT10 integrated DTH drilling rig ...

KAISHAN is a world leading manufacturer of rock drilling equipment and air compressors since 1956 and specialized in manufacturing a wide range of ...

About us Zhejiang Kaishan drill rig, a key member of the Kaishan Group, was founded in 1956 and renamed in 2013. Kaishan Group has 14 production bases and R& D centers worldwide, with ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

Kaishan is a professional manufacturer of rock drills and DTH drilling rig, we have multiple series of DTH drilling rigs to meet your different requirements, including: integrated open air DTH ...

Kaishan Jumbo Tunneling KJ311 Hydraulic Underground Mining Drill Rigs KJ311 is a hydraulic drifting jumbo designed for 12-35 m<sup>2</sup> cross section in ...

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

General description of KJ311 Tunnel mobile tamrock jumbo drilling machine rig KJ311 is a hydraulic drifting

## Kaishan drilling rig

jumbo designed for 12-35 m<sup>2</sup> cross section in underground mining operations. ...

Kaishan KT11 dth drilling machine is designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Get a FREE quote now.

KT11 down the hole drilling machine drills 115-152mm vertical, inclined and horizontal hole for open-pit mines and stonework project.

Kaishan KT15 blast hole drilling machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years ...

We provide a full range of drilling rigs designed for different applications in mining, underground mining, tunneling, quarrying and other infrastructure construction industries. Our team of ...

We provide various kinds of high-end rock drilling equipment and air compressor, including water well drilling rig, surface mining drilling rig, DTH drilling rig, ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and four wheel drive. The track leveling ...

Kaishan KT7C blast hole drilling rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Integrated DTH Drilling Rig Our KT series integrated drilling rig an advanced drilling machine that combines borehole drilling rig and screw air compressor. ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

We have produced a comprehensive line of DTH drilling rigs and components, such as air picks, DTH hammers, drill bits, drill rods and other spare parts to ...

Kaishan is a professional manufacturer of rock drills and DTH drilling rig, we have multiple series of DTH drilling rigs to meet your different requirements, ...

Kaishan KT25 surface dth drill rig has high-capacity rock drilling in quarries, opencast mines & rock excavation. Drill contractors' best friend!

## Kaishan drilling rig

Kaishan Group is an air compressor manufacturer in China. Our main air compressor include: piston type air compressor, screw air compressor, and ...

**Product Features** The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit ...

Kaishan KT15 crawler mining drilling rig is flexible and versatile, ensuringt high productivity and reliability. Drill contractors" best friend!
