

Kaishan electric and oil-driven down-the-hole drilling rig

The KG420/KG420H dth drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

Description Product name: Kaishan Electric driven down hole drill set HQD70 for sale Welcome to visit Kerex China Features of electric driven down hole drill set HQD70: 1.widely used in ...

KS311 hydraulic drilling rig is used for blast hole and drilling anchor hole,it can operate in the section with 3.5-5m width and 3.5-5m height.the drill boom can be rotary 360°;it can drill in 3m ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of ...

Kaishan brand KGH5AIII down the hole drill rig is suitable for drilling vertical, inclined, horizontal blasting holes and pre-cracks in open pit mines and stone works. It has the characteristics of ...

Integrated Surface DTH Drilling Rig "Kaishan" KT5/YCT5 Integrated Surface DTH Drilling Rig is advanced drilling equipment integrating down-the-hole drilling system and screw air ...

The KG610H open-type down-the-hole drill rig is an improved unit designed for unrestricted operation, fully compliant with national regulations for diesel engine emissions. Equipped with ...

Kaishan KT11 integrated surface DTH drilling rig drives both the hydraulic system and high pressure screw compression system with a power and has function modules, including auto ...

It is widely used in small and medium-sized mines,defense engineering,water conservancy,irrigation projects,road construction, blast hole drilling operations in Rock ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

Kaishan electric and oil-driven down-the-hole drilling rig

Kaishan KT15C blast hole drilling rig delivers fast, powerful drilling for mining and construction, operating reliably in extreme climates. Contact us now!

Kaishan KT7C blast hole drilling rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KG510/KG510H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and drilling controls easily accessed ...

Kaishan KQD120 dth drill rig tackle hard rock & complex formations with ease. Reliable & efficient. Drill contractors" best friend!

KT25 integrated surface DTH drilling rig is a new drilling device which is carefully designed for large open-pit mine based on our development and production of DTH drilling rigs for many ...

The KT9D integrated down the hole drill rig for open use is an advanced drilling device integrating the hole drilling system and screw air compressor system. It ...

The Kaishan Portable Blast Hole Open Mine Drilling Machine KG726 Down The Hole Hammer Drill is an upgraded model developed to meet national environmental protection standards. It ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

Kaishan DTH drilling rig ZT10 is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the screw compression system and ...

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

New Kaishan Brand KG350GF open-air photovoltaic drilling rig is a machine specially designed for photovoltaic foundation pile holes, equipped with 73.5KW diesel engine, high-efficiency ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal

Kaishan electric and oil-driven down-the-hole drilling rig

holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes.

Kaishan KG430 blast hole drill rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KG590 Surface Blasting Hole Depth Quarry Mine Separated Mining Drilling Rig is a new equipment upgraded according to national environmental protection requirements. It is ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Kaishan KQD150B Down The Hole Drill Machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...
